Abstract: The National Center for Education Statistics seeks Office of Management and Budget approval to survey adults (16-65 years old) for the 2011/12 administration of the Program for the International Assessment of Adult Competencies (PIAAC) main data collection. PIAAC is coordinated by the Organization for Economic Cooperation and Development (<http://www.oecd.org/>) and sponsored by the U.S. Departments of Education and Labor in the United States. PIAAC is the Organization for Economic Cooperation and Development's (OECD's) new international household study of adults' literacy, numeracy, and problem-solving in technology-rich environments. It will also survey respondents about their education and employment experience and about the skills they use at work. PIAAC builds on previous international literacy assessments: the 2002 Adult Literacy and Lifeskills Survey and the 1994-98 International Adult Literacy Survey. PIAAC is expected to be on a 10-year cycle. In 2011, 26 countries, including 23 OECD-member countries, plan to participate. The U.S. PIAAC main study will occur between September 2011 and March 2012.

Disability and Rehabilitation Research Projects and Centers Program; Field Initiated (FI) Projects; Office of Special Education and Rehabilitative Services; Overview Information; National Institute on Disability and Rehabilitation Research (NIDRR)—Disability and Rehabilitation Research Projects and Centers Program—Field Initiated (FI) Projects

AGENCY: Office of Special Education and Rehabilitative Services, Department of Education.

ACTION: Notice reopening the FI Projects fiscal year (FY) 2011 competition.

Catalog of Federal Domestic Assistance (CFDA) Numbers: 84.133G-1 (Research) and 84.133G-2 (Development).

SUMMARY: On December 6, 2010, we published in the **Federal Register** (75 FR 75666-75671) a notice inviting applications for new awards for the FI Projects FY 2011 competition. That notice established a February 4, 2011 deadline date for eligible applicants to apply for funding under this competition.

The Department of Education announces the reopening of the FI Projects FY 2011 competition. We are establishing a new deadline date for the transmittal of applications for the FY 2011 competition to ensure that potential applicants who were affected by severe winter storms around the time of the original deadline will have sufficient time to prepare and submit their applications. This reopening and extension of the competition is intended to help potential applicants who were affected by severe winter storms compete fairly with other applicants under this competition.

Eligibility: The new deadline date in this notice applies to all eligible applicants for the FI Projects FY 2011 competition (*i.e.*, States; public or private agencies, including for-profit agencies; public or private

organizations, including for-profit organizations; institutions of higher education (IHEs); and Indian Tribes and Tribal organizations), regardless of whether they were affected by severe winter storms. If you have already successfully submitted an application for the FI Projects FY 2011 competition, you may resubmit your application (either with or without revisions). However, if you successfully submitted an application by the original deadline date, you do not need to do so in order to be considered for a grant award under this competition. If you re-submit an application under this reopening notice, the Department will consider the application you submit last provided that it is submitted by the new deadline date.

Deadline for Transmittal of Applications: March 14, 2011.

Note: Applications for grants under this program must be submitted electronically using the Government-wide Grants.gov apply site at <http://www.Grants.gov>. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV. 7.

Other Submission Requirements of the December 6, 2010 notice inviting applications for new awards for FI Projects for FY 2011 (75 FR 75666, 75668). We encourage applicants to submit their applications as soon as possible to avoid any problems with filing electronic applications on the last day.

The Board advises the Director of the Institute of Education Sciences (IES) on, among other things, the establishment of activities to be supported by the Institute, and on the funding for applications for grants, contracts, and cooperative agreements for research after the completion of peer review, and reviews and evaluates the work of the Institute.

John Easton, IES director, and the commissioners of the national centers will give an overview of recent developments at IES. A break will take place from 11 a.m. to 11:15 a.m. The Board will then consider the topic, "How Can IES Research/Evaluation Increase the Likelihood of Identifying Interventions that Produce Important Positive Effects? How Can the Policy/Research Community Make Better Use of Well-Designed Studies Showing No Effects or Adverse Effects?" Individuals who will need accommodations for a disability in order to attend the meeting (e.g., interpreting services, assistance listening devices, or materials in alternative format) should notify Mary Grace Lucier no later than March 15. We will attempt to meet requests for accommodations after this date but cannot guarantee their
