Total Estimated Annual Burden Hours: 9,958.

Abstract: The Research Performance Progress Report (RPPR) format and instructions with the exception of the "Impact" category are used in order for Institute of Education Sciences' (IES') grantees to meet the established due dates for submission of performance reports for IES discretionary grant programs. Recipients of multi-year discretionary grants must submit an annual performance report for each year funding has been approved in order to receive a continuation award. The annual performance report should demonstrate whether substantial progress has been made toward meeting the approved goals and objectives of the project. The Institute also requires recipients of "forward funded" grants that are awarded funds for their entire multi-year project up-front in a single grant award to submit the RPPR on an annual basis. In addition, the Institute will require recipients to use the ED 524B to submit their final performance reports to demonstrate project success, impact and outcomes. In both the annual and final performance reports, grantees are required to provide data on established performance measures for the grant program (e.g., Government Performance and Results Act measures) and on project performance measures that were included in the grantee's approved grant application. The RPPR will contain research and related (total federal and non-federal) budgetary forms that will be used to collect budgetary data from the recipient organization. The information submitted will be used to conduct periodic administrative/budgetary reviews. Performance reporting requirements are found in 34 CFR 74.51, 75.118, 75.253,

75.590 and 80.40 of the Education Department General Administrative Regulations.

SUMMARY: This notice sets forth the schedule and agenda of the upcoming June 8-10, 2011, open meeting of the NACIQI. It also informs members of the public how to submit third-party written comments concerning agencies scheduled for review. The notice of this meeting is required under Section 10(a)(2) of the Federal Advisory Committee Act (FACA) and Section 114(d)(1)(B) of the Higher Education Act of 1965, as amended (HEA).

SUPPLEMENTARY INFORMATION: Meeting Date and Place—The NACIQI meeting will be held on June 8-10, 2011, from 8:30 a.m. to approximately 5:30 p.m., at the Holiday Inn and Suites, Commonwealth Ballroom, 625 First Street, Alexandria, VA 22314.

NACIQI's Statutory Authority and Functions: The NACIQI is established under Section 114 of the Higher Education Act (HEA), as amended, 20 U.S.C. 1011c. The NACIQI advises the Secretary of Education about:

- The establishment and enforcement of the Criteria for Recognition of accrediting agencies or associations under Subpart 2, Part H, Title IV, HEA, as amended.
- The recognition of specific accrediting agencies or associations, or a specific State approval agency.
- The preparation and publication of the list of nationally recognized accrediting agencies and associations.
- The eligibility and certification process for institutions of higher education under Title IV, HEA.
- The relationship between: (1) Accreditation of institutions of higher education and the certification and eligibility of such institutions, and (2) State licensing responsibilities with respect to such institutions.

- Any other advisory functions relating to accreditation and institutional eligibility that the Secretary may prescribe.

Agenda: The agenda for the meeting on June 8, 2011, will include presentations to further inform the NACIQI generally regarding the reauthorization of the Higher Education Act (HEA), which may include the areas of accreditation of institutions of higher education, the certification and eligibility of such institutions for purposes of the Federal student aid programs authorized under Title IV of the HEA, the relationship between the two, and regarding State licensing responsibilities with respect to such institutions.

The June 9-10, 2011 portion of the meeting will be similar to a traditional NACIQI meeting where the review of specific accrediting agencies, State approval agencies, or Federal degree-granting agencies takes place. The agenda for the June 9-10, 2011 portion of the meeting will include the review of agencies that have submitted petitions for the renewal of recognition.

Federal Agency Seeking Degree-Granting Authority

1. Air University, Maxwell Air Force Base, Montgomery, Alabama (request to award a Doctor of Philosophy degree in Military Strategy).

Under 10 U.S.C., Section 9134, in order for the U.S. Air Force's Air University to offer a new degree program, the Secretary of the U.S. Department of Education must have approved the degree in accordance with the Federal Policy Governing the Granting of Academic Degrees by Federal Agencies and Institutions (approved by a letter, dated December 23, 1954, from the Director, Bureau of the Budget, to the Secretary, Health, Education, and Welfare). Under the policy, the Secretary is required to establish a review committee to advise the Secretary concerning any proposal to authorize the granting of degrees by a Federal agency. After considering the criteria established by the policy, the review committee forwards its report concerning a Federal agency's proposed degree-granting authority to the Secretary, who then forwards the committee's report and the Secretary's recommendation to the Office of Management and Budget and the Department of Defense. The Secretary uses the NACIQI as the review committee required for this purpose.

Submission of Written Comments Concerning Agencies Scheduled for Review: Submit your written comments

by e-mail no later than ten days after the date of publication, to the Accreditation and State Liaison (ASL) Records Manager at aslrecordsmanager@ed.gov with the subject line "Written Comments re: (agency name)." Do not send material directly to NACIQI members.

In all instances, your comments about agencies seeking continued recognition must relate to whether the agency meets the Criteria for Recognition. Third parties having concerns about agencies regarding matters outside the scope of the petition should report those concerns to Department staff.

Comments concerning the Air University's degree-granting authority request must relate to the criteria used to evaluate the institution. Those criteria may be obtained by submitting a request to aslrecordsmanager@ed.gov with the subject line "Request for Degree-Granting Authority Criteria."

Only materials submitted by the deadline to the e-mail address listed in this notice, and in accordance with these instructions, become part of the official record concerning agencies scheduled for review and are considered by the Department and the NACIQI in their deliberations.

This notice announces the only opportunity you will have to submit written comments on the agencies scheduled for this meeting.

Requests to Make Oral Comments: There will be another notice that will invite the public to submit requests to make oral presentations before the NACIQI on the agencies scheduled for review. That notice will explain the two methods the public may use to request to make oral presentations and provide the instructions for each method. Plus, a separate, subsequent **Federal Register** notice will invite the public to submit written comments and/or requests to make oral presentations before the NACIQI on the reauthorization of the Higher Education Act. Again, neither subsequent notice will offer a second opportunity to submit written comments on the agencies/institutions scheduled for review.

Access to Records of the Meeting: The Department will record the meeting and post the official report of the meeting on the NACIQI Web site shortly after the meeting. Pursuant to the FACA, the public may also inspect the materials at 1990 K Street, NW., Washington, DC, by e-mailing aslrecordsmanager@ed.gov or by calling (202) 219-7067 to schedule an appointment.
