

policies. The review of applications is performed by people knowledgeable in the field of endeavor for which support is requested and is advisory to individuals in HRSA responsible for making award decisions.

To streamline the collection, selection, and assignment of expert grant reviewers to objective review committees, HRSA utilizes a Web-based

data collection *Grant Reviewer Recruitment Form* to gather critical reviewer information. The *Grant Reviewer Recruitment Form* standardizes pertinent categories of reviewer information such as areas of expertise, occupations, work settings, reviewer education, and experience. This standardized information is automatically entered into a centralized

data base that the Division of Independent Review uses to determine suitability and to select appropriate reviewers for objective review committees that judge the merits of grant applications and cooperative agreements.

The annual estimate of burden is as follows:

Instrument	Number of respondents	Responses per respondent	Total responses	Hours per response	Total burden hours
New reviewer	1,380	1	1,380	45 min.	1,035
Updating reviewer information	4,255	1	4,255	30 min.	2,128
Total	5,635	5,635	3,163

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to the desk officer for HRSA, either by e-mail to *OIRA_submission@omb.eop.gov* or by fax to 202-395-6974. Please direct all correspondence to the "attention of the desk officer for HRSA."
