#### Abstract of Proposed Collection

The form is used prior to passport issuance and solicits information relating to the loss or theft of a valid U.S. passport. The information is used by the United States Department of State to ensure that no person shall bear more than one valid or potentially valid U.S. passport book and passport card at any one time, except as authorized by the Department, and is also used to combat passport fraud and misuse.

#### Methodology

This form is used in conjunction with the Form DS-11, Application for a U.S. Passport, or submitted separately to report loss or theft of a U.S. passport. Passport Services collects the information when a U.S. citizen or non-citizen national applies for a new U.S. passport and has been issued a previous, still valid U.S. passport that has been lost or stolen, or when a passport holder independently reports it lost or stolen. Passport applicants can either download the form from the Internet or pick one up at any Passport Agency or Acceptance Facility.
