SUPPLEMENTARY INFORMATION: FEMA's regulations implementing the SRL program appeals process, authorized by the Flood Insurance Act of 1968 (42 U.S.C. 4102a) are located at 44 CFR 79.7(d). This information collection outlines the process by which any owner of a severe repetitive loss of property may appeal a FEMA decision that would increase the chargeable insurance premium rate on the property. This process requires the owner to submit a written appeal, including any supporting documentation, to FEMA within 90 days of the notice of the insurance increase. Much of the supporting documentation for SRL applications is covered under a separate collection, OMB No. 1660-0072, Mitigation Grant Programs (e-Grants). Although much of the supporting documentation has already been submitted in the original application for SRL grant funds, the property owner may submit any additional documentation that supports their appeal. Without this required

information, FEMA will be unable to implement the appeals process for the SRL program, and will be in violation of the requirements under the Flood Insurance Act of 1968, 42 U.S.C. 4102a.
