

decisions. The currently approved reporting and recordkeeping requirements for the FMNP are based on 46 State agencies administering the program.

The most recent annual report shows that 45 State agencies administer the program, including the authorization of 3,635 farmers' markets, 17,543 farmers, and 2,662 roadside stands authorized to accept FMNP coupons (for a total of 23,840 authorized entities). However, FNS estimates that one third of authorized farmers or farmer's markets complete an agreement every year, thereby estimating the number of agreements submitted per year at 7,947. This represents an increase in the number of authorized entities from the currently approved reporting and recordkeeping requirements for the FMNP. Therefore FNS is requesting a revision to this information collection burden due to an increase in the number of authorized entities submitting farmer's market agreements and authorizations. The total burden is being increased from 20,221 to 23,917 hours.
