

SUPPLEMENTARY INFORMATION:

Background: On December 29, 2010, BOEMRE published in the **Federal Register** the RFI in Commercial Wind Energy Leasing Offshore Massachusetts inviting submissions describing commercial leasing interest and providing comments and information pertaining to the RFI area (75 FR 82055). The RFI, requested submissions by February 28, 2011.

Because of requests received from the public and the Commonwealth of Massachusetts, we are hereby reopening the comment period until April 18, 2011. As stated in the RFI published December 29, 2010, BOEMRE will use the responses to this RFI to gauge specific interest in commercial development of OCS wind resources in the area described, as required by 43 U.S.C. 1337(p)(3). Parties wishing to obtain a commercial lease for a wind energy project should submit detailed and specific information as described in the section entitled, "Required Indication of Interest Information." Also, with this announcement, BOEMRE invites all interested and affected parties to comment and provide information—including information about multiple uses of the area, environmental issues and data—that will be useful in the consideration of the RFI area for commercial wind energy leasing. Please refer to the RFI, published in the **Federal Register** on December 29, 2010, (75 FR 82055) for further information. Comments already submitted on the RFI need not be resubmitted.

Dated: March 8, 2011.

Michael R. Bromwich,

Director, Bureau of Ocean Energy Management, Regulation and Enforcement.

Receipt of Applications for Endangered Species Permits

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species. With some exceptions, the Endangered Species Act (ESA) prohibits activities with listed

species unless a Federal permit is issued that allows such activities. The ESA requires that we invite public comment before issuing these permits.

DATES: We must receive written data or comments on the applications at the address given below, by *April 18, 2011*.

ADDRESSES: Documents and other information submitted with the applications are available for review, subject to the requirements of the Privacy Act and Freedom of Information Act, by any party who submits a written request for a copy of such documents to the following office within 30 days of the date of publication of this notice: U.S. Fish and Wildlife Service, 1875 Century Boulevard, Suite 200, Atlanta, GA 30345 (Attn: Cameron Shaw, Permit Coordinator).

FOR FURTHER INFORMATION CONTACT: Cameron Shaw, telephone 904/731-3191; facsimile 904/731-3045.

SUPPLEMENTARY INFORMATION: The public is invited to comment on the following applications for permits to conduct certain activities with endangered and threatened species pursuant to section 10(a)(1)(A) of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*) and our regulations in the Code of Federal Regulations (CFR) at 50 CFR 17. This notice is provided under section 10(c) of the Act. If you wish to comment, you may submit comments by any one of the following methods. You may mail comments to the Fish and Wildlife Service's Regional Office (*see ADDRESSES* section) or via electronic mail (e-mail) to: *permitsR4ES@fws.gov*. Please include your name and return address in your e-mail message. If you do not receive a confirmation from the Fish and Wildlife Service that we have received your e-mail message, contact us directly at the telephone number listed above (*see FOR FURTHER INFORMATION CONTACT* section). Finally, you may hand deliver comments to the Fish and Wildlife Service office listed above (*see ADDRESSES* section).

Before including your address, telephone number, e-mail address, or other personal identifying information in your comments, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comments to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Call for Nominations for Resource Advisory Councils

AGENCY: Bureau of Land Management, Interior.

ACTION: Call for nominations.

SUMMARY: The purpose of this notice is to request public nominations for the

Bureau of Land Management (BLM) Resource Advisory Councils (RAC) that have member terms expiring this year. The RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas. The BLM will accept public nominations for 45 days after the publication of this notice.

DATES: All nominations must be received no later than May 2, 2011.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** for the address of BLM State Offices accepting nominations.

FOR FURTHER INFORMATION CONTACT: Allison Sandoval, U.S. Department of the Interior, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street, NW., MS-MIB 5070, Washington, DC 20240; 202-208-74294.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) (43 U.S.C. 1739) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations; archaeological and historic organizations, dispersed recreation activities, and wild horse and burro organizations; and

Category Three—Representatives of state, county, or local elected office; employees of a state agency responsible for management of natural resources; representatives of Indian tribes within or adjacent to the area for which the council is organized; representatives of academia who are employed in natural sciences; and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents
