

an evaluation of four grant programs funded through HUD's Office of University Partnerships (OUP). The four OUP programs are: Historically Black Colleges and Universities (HBCU); Hispanic-Serving Institutions Assisting Communities (HSIAC); Alaskan Native/Native Hawaiian Institutions Assisting Communities (ANNHIAC); and Tribal Colleges and Universities Program (TCUP). This evaluation will be the first to systematically document program outcomes and to assess where certain factors, such as partnership structure or the types of activities completed with grant funds affect outcomes. To collect the information necessary for this study,

the Department will conduct two telephone surveys of staff members from a sample of OUP grant recipients that have received a grant between fiscal years 2005 and 2008. Surveys will be conducted with 67 OUP grantees. The first grantee survey will query the number of OUP grants an institution received during the study period; how the OUP grants were used; and whether the grants were interrelated. The second grantee survey will ask about: community outcomes were achieved; project beneficiaries other funding sources used in conjunction with OUP funding; and how partners worked together to implement grant activities.

Members of the affected public: The telephone surveys will affect approximately 67 institutional recipients of an OUP Program Grant.

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: For the OUP recipient survey, the researchers will administer a set of two interviews to 67 recipient staff. The first interview is expected to last 20 minutes; the second interview is expected to last 60 minutes for a total burden hour estimate of 90 hours.

Respondents	Number of respondents	Number responses per respondent	Average burden/response (in hours)	Total burden hours
Telephone interview	67	2	40	90

Status of the proposed information collection: Pending OMB approval.

Authority: Section 3506 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: March 14, 2011.

Raphael W. Bostic,
Assistant Secretary for Policy Development and Research.
