Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the **Federal Register** (73 FR 3316).

Establishment of the Committee

For the reasons set forth below, the Secretary of Homeland Security has determined that the establishment of the MERPAC is necessary and in the public interest. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

The MERPAC is being established in accordance with the provisions of the Federal Advisory Committee Act (FACA) 5 U.S.C. App. (Pub. L. 92–463). The MERPAC will act in an advisory capacity to the Secretary of the Department of Homeland Security through the Commandant of the Coast Guard and the Director of Commercial Regulations and Standards on matters relating to personnel in the U.S. merchant marine, including but not limited to training, qualifications, certification, documentation, and fitness standards. The MERPAC will provide focused recommendations to relevant maritime personnel issues and we anticipate that it will be very responsive to the Coast Guard’s need for recommendations on short turn-around issues. The Committee’s unique industry perspective will provide critical support to the Coast Guard’s efforts to ensure the safety of the U.S. merchant marine. This information would otherwise have to be drawn from the broad population involved in merchant vessel personnel matters. There is no other current entity which can provide the level of technical expertise and experience that is afforded by this advisory committee.

Balanced Membership Plans

The Committee membership is mandated by its charter and consists of nineteen (19) members appointed by the Secretary of Homeland Security as follows: a. Nine active U.S. Merchant

Mariners including: (1) Three deck officers who represent the viewpoint of merchant marine deck officers, two of whom shall be licensed for oceans any gross tons, one of whom shall be licensed for inland or river route with a limited or unlimited tonnage, two of whom must have master's license or a master of towing vessels license, and one of whom must have significant tanker experience; and, to the extent practicable, one of these deck officers shall represent the point of view of labor and another shall represent a management perspective; (2) three engineering officers who represent the viewpoint of merchant marine engineering officers, two of whom shall be licensed as chief engineer any horsepower, one of whom shall be licensed as either a limited chief engineer or a designated duty engineer; and, to the extent practicable, one of these engineers shall represent a labor point of view and another shall represent a management perspective; (3) two unlicensed seamen, including one who represents the viewpoint of Able-Bodied Seamen and one who represents the viewpoint of Qualified Members of the Engine Department; and (4) one Pilot who represents the viewpoint of merchant marine pilots. b. Six Marine Educators, including: (1) Three who represent the viewpoint of Maritime Academies, two of whom shall represent State Maritime Academies, and one of whom may represent either the State Maritime Academies or the Federal Maritime Academy; and (2) three who represent the viewpoint of other maritime training institutions, one of whom shall represent the viewpoint of the small vessel industry. c. Two individuals who represent the viewpoint of shipping companies employed in ship operation management. d. Two members who are drawn from the general public.

Duration: Continuing.

Responsible DHS Officials: MERPAC will provide advice and recommendations to the Secretary of the Department of Homeland Security through the Director of Commercial Regulations and Standards, United States Coast Guard and the Commandant of the Coast Guard.

Dated: March 17, 2011.

J.G. Lantz,

Director of Commercial Regulations and Standards.
