

household annual reporting burden for the activities related to IPV disqualifications from 2,348 hours to 2,710 hours.

The States' annual reporting burden for the activities related to IPV disqualifications and hearing notices has increased from 13,340 hours to 15,381 hours. The States' annual recordkeeping burden for the IPV related activities increased from 2,942 hours to 3,396 hours. These increases are due to Program changes as a result of an increased number of SNAP households that States have reported as disqualified.

One of the factors used by a State agency to determine the appropriate disqualification penalty to assign to an individual is whether or not the individual was found to have committed any prior IPV's. The way that State agencies determine this is by accessing and checking the Electronic Disqualified Recipient System (eDRS), which is an automated system developed by FNS that contains records of disqualifications in every State. State agencies are responsible for updating the system and checking it to determine the appropriate length of each disqualification. An estimate of the annual burden associated with the eDRS process reflects an increase from 5,563 hours to 7,967 hours per year.

Summary of Estimated Burden

The net aggregate change from the currently approved burden of 135,393 hours to the proposed annual burden for this collection of 167,038 hours is an increase of 31,645 hours. For initiating collection action on an overissuance, we are increasing the estimated annual burden for State agencies and households from 111,200 hours to 137,584 hours to reflect the higher number of claims established in FY 2009. The IPV-related State agency and household annual reporting and recordkeeping burden has increased from 18,630 hours to 21,487 hours to reflect the higher number of disqualifications. An estimate of the annual burden associated with the eDRS process reflects a total increase from 5,563 hours to 7,967 hours per year. Adjustments have been made to the burden to include requirements not previously identified, burden identified incorrectly, and corrections made in the calculations of the number of responses and hours per response.

This notice is exempt from review by the Office of Management and Budget under Executive Order 12866.

Regulatory Flexibility Act

This action is not a rule as defined by the Regulatory Flexibility Act (5 U.S.C. 601-612) and thus is exempt from the provisions of this Act.

Paperwork Reduction Act of 1995

This notice does not contain reporting or recordkeeping requirements subject to approval by the Office of Management and Budget in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3507).

Executive Order 12372

This program is listed in the Catalog of Federal Domestic Assistance Programs under No. 10.557, and is subject to the provisions of Executive Order 12372, which requires intergovernmental consultation with State and local officials (7 CFR part 3015, Subpart V, 48 FR 29114, June 24, 1983, and 49 FR 22676, May 31, 1984).

Description

Section 17(d)(2)(A) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(d)(2)(A)) requires the Secretary of Agriculture to establish income criteria to be used with nutritional risk criteria in determining a person's eligibility for participation in the WIC Program. The law provides that persons will be income eligible for the WIC Program only if they are members of families that satisfy the income standard prescribed for reduced-price school meals under section 9(b) of the Richard B. Russell National School Lunch Act (42 U.S.C. 1758(b)). Under section 9(b), the income limit for reduced-price school meals is 185 percent of the Federal poverty guidelines, as adjusted.

Section 9(b) also requires that these guidelines be revised annually to reflect changes in the Consumer Price Index. The annual revision for 2011/2012 was published by the Department of Health and Human Services (HHS) at 76 FR 3637, January 20, 2011. The guidelines published by HHS are referred to as the poverty guidelines. Section 246.7(d)(1) of the WIC regulations (Title 7, Code of Federal Regulations) specifies that State agencies may prescribe income guidelines either equaling the income

guidelines established under section 9 of the Richard B. Russell National School Lunch Act for reduced-price school meals or identical to State or local guidelines for free or reduced-price health care. However, in conforming WIC income guidelines to State or local health care guidelines, the State cannot establish WIC guidelines which exceed the guidelines for reduced-price school meals, or which are less than 100 percent of the Federal poverty guidelines. Consistent with the method used to compute income eligibility guidelines for reduced-price meals under the National School Lunch Program, the poverty guidelines were multiplied by 1.85 and the results

rounded upward to the next whole dollar.

At this time, the Department is publishing the maximum and minimum WIC income eligibility guidelines by household size for the period July 1, 2011, through June 30, 2012. Consistent with section 17(f)(17) of the Child Nutrition Act of 1966, as amended (42 U.S.C. 1786(f)(17)), a State agency may implement the revised WIC income eligibility guidelines concurrently with the implementation of income eligibility guidelines under the Medicaid Program established under Title XIX of the Social Security Act (42 U.S.C. 1396, et seq.). State agencies may coordinate implementation with the revised Medicaid guidelines, *i.e.*, earlier in the

year, but in no case may implementation take place later than July 1, 2011.

State agencies that do not coordinate implementation with the revised Medicaid guidelines must implement the WIC income eligibility guidelines on July 1, 2011. The first table of this Notice contains the income limits by household size for the 48 contiguous States, the District of Columbia, and all Territories, including Guam. Because the poverty guidelines for Alaska and Hawaii are higher than for the 48 contiguous States, separate tables for Alaska and Hawaii have been included for the convenience of the State agencies.
