proposing to expand its operational hours to open the System earlier so that
firms can enter orders and execute
beginning at 7 a.m. rather than 8 a.m.

2. Statutory Basis

The Exchange believes that the
proposed rule change is consistent with
the provisions of Section 6 of the Act,7 in
general, and with Sections 6(b)(1) and 6(b)(5) of the Act,8 in particular, in
that the proposal enables the Exchange to be
so organized as to have the capacity to
be able to carry out the purposes of the Act and to comply with and enforce
compliance by members, member
organizations, and persons associated
with members and member
organizations with provisions of the
Act, the rules and regulations
thereunder, and the rules of the
Exchange. The proposal is also
consistent with Section 6 of the Act in
that the proposal is designed to prevent fraudulent and manipulative acts and
practices, to promote just and equitable
principles of trade, to foster cooperation
and coordination with persons engaged
in regulating, clearing, settling, and facilitating transactions in
securities, to remove impediments to
and perfect the mechanism of a free and
open market and a national market
system, and, in general, to protect
investors and the public interest. An
earlier open will enhance the national
market system by providing market
participants increased opportunity to
more effectively carry out the execution of orders in the manner addressed by
Exchange rules. Such improvements
will enhance the protection of investors and the public interest.

B. Self-Regulatory Organization’s
Statement on Burden on Competition

The Exchange does not believe that
the proposed rule change will impose
any burden on competition not
necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s
Statement on Comments on the
Proposed Rule Change Received From
Members, Participants, or Others

No written comments were either
solicited or received.

III. Date of Effectiveness of the
Proposed Rule Change and Timing for
Commission Action

Because the foregoing proposed rule
change does not: (i) Significantly affect
the protection of investors or the public
interest; (ii) impose any significant
burden on competition; and (iii) become
operative for 30 days after the date of
the filing, or such shorter time as the
Commission may designate, it has
become effective pursuant to 19(b)(3)(A)
of the Act9 and Rule 19b–4(f)(6)10
thereunder.

At any time within 60 days of the
filing of the proposed rule change, the
Commission summarily may
temporarily suspend such rule change if
it appears to the Commission that such
action is necessary or appropriate in the
public interest, for the protection of
investors, or otherwise in furtherance of the purposes of the Act. If the
Commission takes such action, the
Commission shall institute proceedings
to determine whether the proposed rule
should be approved or disapproved.
