Agency Information Collection Request. 60-Day Public Comment Request

AGENCY: Office of the Secretary, HHS.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Secretary (OS), Department of Health and Human Services, is publishing the following summary of a proposed information collection request for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the

use of automated collection techniques or other forms of information technology to minimize the information collection burden.

To obtain copies of the supporting statement and any related forms for the proposed paperwork collections referenced above, e-mail your request, including your address, phone number, OMB number, and OS document identifier, to *Sherette.funncoleman@hhs.gov*, or call the Reports Clearance Office on (202) 690-6162. Written comments and recommendations for the proposed information collections must be directed to the OS Paperwork Clearance Officer at the above email address within 7 days.

Proposed Project: Evaluation of SAMHSA Primary and Behavioral Health Care Integration Grant Program. OMB No. 0990-0371—Revision—Assistant Secretary for Planning and Evaluation (ASPE).

Abstract: The Assistant Secretary for Planning and Evaluation (ASPE) and the Substance Abuse and Mental Health Services Administration (SAMHSA) are funding an independent evaluation of the Substance Abuse and Mental Health Services Administration/Center for Mental Health Services' (SAMHSA/CMHS) Primary and Behavioral Health Care Integration (PBHCI) grant program.

Four-year PBHCI grants for up to \$500,000 per year were awarded to thirteen grantees on September 30, 2009. A second group of nine grants and a third group of 34 grants were awarded September 30, 2010, for a total of 56 grants. The purpose of the PBHCI program is to improve the overall wellness and physical health status of people with serious mental illnesses (SMI), including individuals with co-occurring substance use disorders, by supporting communities to coordinate and integrate primary care services into publicly-funded community mental health and other community-based behavioral health settings. The information collected through the 3 year evaluation will assist SAMHSA in assessing whether integrated primary care services produce improvements in the physical and mental health of the SMI population receiving services from community-based behavioral health agencies. Data will be collected from grantee staff at all sites and from clients at up to 10 sites (client exam/survey). An Emergency Clearance Request covering the first six months of data collection starting February 15, 2011 and ending August 14, 2011 was approved February 15, 2011. This submission will cover data collection for the period starting August 15, 2011 and ending October 1, 2013.

ESTIMATED ANNUALIZED BURDEN TABLE

| Type of respondent | Instrument name | Number of respondents | Number responses per respondent | Average burden per response (in hours) | Total burden hours |
|---------------------------------|---|-----------------------|---------------------------------|--|--------------------|
| Grantee Data Staff | Individual Service Utilization Data ... | 56 | 4 | 8 | 1,792 |
| Grantee Data Staff | TRAC Indicators | 56 | 1,000 | 5/60 | 4,667 |
| Grantee Project Directors | Quarterly Reports | 56 | 4 | 2 | 448 |
| SMI Clients | Client Exam and Survey-Baseline ... | 1,000 | 1 | 45/60 | 750 |
| SMI Clients | Client Exam and Survey-Follow-up | 1667 | 1 | 45/60 | 1,250 |
| Grantee Leadership | Site Visit Interview | 40 | 1 | 2 | 80 |
| Grantee MH Providers | Site Visit Interview | 40 | 1 | 1 | 40 |
| Grantee PH Providers | Site Visit Interview | 40 | 1 | 1.5 | 60 |
| Grantee Care Coordinators | Site Visit Interview | 20 | 1 | 1.5 | 30 |
| Control Site Leadership | Site Visit Interview | 50 | 1 | 2 | 100 |

Proposed Project: Wellness Program Study: Assessing the Impact of Workplace Health and Wellness Programs—OMB No. 0990-NEW—Assistant Secretary for Planning Evaluation (ASPE)

Abstract: The Office of the Assistant Secretary for Planning and Evaluation (ASPE) and the Employee Benefits Security Administration (EBSA) is requesting Office of Management and Budget (OMB) approval on a new collection to conduct a survey on employers to learn about their experiences and attitudes regarding workplace wellness programs. ASPE will use the employers' experience to assess the effectiveness and impact of

workplace wellness programs, as well as identify best practices and lessons learned in program implementation with a particular focus on the use of incentives. As part of the study, a one-time, self-administered survey will be administered to 3,000 employers selected from the Dun & Bradstreet database, a comprehensive listing of private companies and government agencies in the U.S. The survey will assess prevalence and type of wellness programs as well as the use of employee incentives. The survey design and content is informed by a review of the literature on the characteristics, prevalence and impact of workplace wellness programs. Data collection will also include employee focus groups and key informant semi-structured interviews at each of 4 employer sites that will inform in-depth case studies of those employers. The focus groups will consist of 12 employees and will be conducted to get the end-user perspective on the impact and effectiveness of the wellness program. The key informant interviews will be carried out with 5 wellness leaders at each employer, and will gather information on employer background, health insurance and wellness programs offered, and anticipated changes due to the Affordable Care Act. Data collection activities will be completed within 18 months of OMB Clearance.

EXHIBIT 1—ESTIMATE OF ANNUALIZED TIME BURDEN TO RESPONDENTS

| Forms | Type of respondent | Number of respondents | Number of responses per respondent | Average burden per response (in hours) | Total burden hours |
|---------------------------------|------------------------------------|-----------------------|------------------------------------|--|--------------------|
| Survey | Human Resource Manager | 3,000 | 1 | 30/60 | 1,500 |
| Focus Group Protocol | Employees in All Occupations | 48 | 1 | 1.5 | 72 |
| Key Informant Interview Script. | Human Resource Manager | 20 | 1 | 45/60 | 15 |
| Total | | | | | 1,587 |
