DEPARTMENT OF JUSTICE

Office of Justice Programs

[OMB Number 1121-0064]

Agency Information Collection Activities: Proposed Collection; Comment Request

ACTION: 60-day notice of information collection under review: Extension of a currently approved collection: Annual Parole Survey and Annual Probation Survey

The Department of Justice (DOJ), Office of Justice Programs (OJP), Bureau of Justice Statistics (BJS) will be submitting the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. Comments are encouraged and will be accepted for "sixty days" until May 27, 2011. This process is in accordance with 5 CFR 1320.10.

If you have comments especially on the estimated public burden or associated response time, suggestions, or need a copy of the proposed information collection instrument with instructions or additional information, please contact Tom Bonczar, Statistician, (202) 616-3615, Bureau of Justice Statistics, 810 Seventh St., NW., Washington, DC 20531.

Written comments concerning this information collection should be sent to the Office of Information and Regulatory Affairs, Office of Management and Budget, *Attn:* DOJ Desk Officer. The best way to ensure your comments are received is to e-mail them to oir_submission@omb.eop.gov or fax them to 202-395-7285. All comments should reference the 8 digit OMB number for the collection or the title of the collection. If you have questions concerning the collection, please call Tom Bonczar, Statistician at 202 616-3615 or the DOJ Desk Officer at 202-395-3176.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the

proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.
