SUPPLEMENTARY INFORMATION: The FAA is issuing this notice pursuant to the National Parks Air Tour Management Act of 2000 (Pub. L. 106-181) and its implementing regulations contained in Title 14, Code of Federal Regulations, Part 136, National Parks Air Tour Management. The public is invited to review and provide comment on draft alternatives in the development of an Air Tour Management Plan (ATMP) for the Mount Rainier National Park. The FAA is the Lead Agency and the NPS is a Cooperating Agency in the development of an Environmental Assessment (EA), an ATMP, and associated rulemaking actions which comply with the National Environmental Policy Act of 1969 (NEPA) requirements.

The EA is being prepared in accordance with FAA Order 1050.1E, environmental impacts: Policies and Procedures, NPS Director's Order #12: Conservation Planning, Environmental Impact Analysis, and Decision-making, and NPS Management Policies. The FAA and NPS are now inviting comment from the public, agencies, tribes and other interested parties on the draft alternatives being considered to prepare an Air Tour Management Plan Environmental Assessment for Mount Rainier National Park, Washington.

Attendance is open to the interested public but limited to space availability. The FAA and NPS request that comments be as specific as possible in response to actions that are being proposed under this notice. Both oral and written comments will be accepted during these meetings. Agency personnel will be available to answer questions and document comments. All written comments become part of the official record along with previously submitted scoping comments. Written comments on the draft alternatives can also be submitted on the NPS on the NPS Planning, Environment and Public Comment System at: http://parkplanning.nps.gov/MORA_ATMP or sent to the mailing addresses listed in the "FOR FURTHER INFORMATION CONTACT" section.
