BILLING CODE 7590-01-P

OVERSEAS PRIVATE INVESTMENT CORPORATION**Information Collection Request for OMB Review and Approval**

AGENCY: Overseas Private Investment Corporation (OPIC).

ACTION: Request for comments.

SUMMARY: Under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35), agencies are required to publish a Notice in the **Federal Register** notifying the public that the Agency is preparing an information collection request for OMB review and approval and to request public review and comment on the submission. Comments are being solicited on the need for the information; the accuracy of the Agency's burden estimate, practical utility and clarity of the information to be collected; and on ways to minimize the reporting burden, including automated collection techniques and uses of other forms of technology. The proposed form, OMB control number 3420-0001, under review is summarized below.

DATES: Comments must be received within 60 days of publication of this notice.

ADDRESSES: Copies of the subject form and the request for review prepared for submission to OMB may be obtained from the Agency submitting officer. Comments on the form should be

submitted to the Agency Submitting Officer.

FOR FURTHER INFORMATION CONTACT: OPIC Agency Submitting Officer: Essie Bryant, Record Manager, Overseas Private Investment Corporation, 1100 New York Avenue, NW., Washington, DC 20527; (202) 336-8563.

Summary Form Under Review

Type of Request: Revised form.

Title: Request for Registration for Political Risk Investment Insurance.

Form Number: OPIC-50.

Frequency of Use: Once per investor per project.

Type of Respondents: Business or other institution (except farms); individuals.

Description of Affected Public: U.S. companies or citizens investing overseas.

Reporting Hours: ½ hour per project.

Number of Responses: 247 per year.

Federal Cost: \$2,841.00.

Authority for Information Collection: Sections 231, 234(a), 239(d), and 240A of the Foreign Assistance Act of 1961, as amended.

Abstract (Needs and Uses): The OPIC Form 50 is submitted by eligible investors to register their intent to make international investments, and ultimately, to seek OPIC political risk insurance.

Dated: March 23, 2011.

Nichole Cadiente,

Administrative Counsel, Department of Legal Affairs.

BILLING CODE 7710-FW-P

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64112; File No. SR-ISE-2011-14]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Fees for Qualified Contingent Cross Orders

March 23, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on March 14, 2011, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission the proposed rule change, as described in Items I, II, and III below, which items have been

prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The ISE is proposing to amend its fee schedule to establish fees for a new order type called Qualified Contingent Cross. The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to establish fees for a new order type called Qualified Contingent Cross ("QCC"). The QCC order type was recently approved by the Commission.³ The Exchange now proposes to adopt fees related to this new order type. Specifically, the Exchange proposes to extend the same pricing that currently applies to orders entered into the facilitation, solicitation and price improvement mechanism on behalf of firm proprietary, Non-ISE Market Makers⁴ and Professional Order participants,⁵ which amounts to \$0.20 per contract for QCC orders in all option classes traded on the Exchange.

³ See Securities Exchange Act Release No. 63955 (February 24, 2011) (SR-ISE 2010-73).

⁴ The term "Non-ISE Market Maker" means a market maker as defined in Section 3(a)(38) of the Securities Exchange Act of 1934 registered in the same options class on another options exchange. See ISE's Schedule of Fees.

⁵ The term "Professional Order" means an order that is for the account of a person or entity that is not a Priority Customer. See ISE Rule 100(37C).

The fee for ISE Market Makers that participate in a QCC order will be charged either \$.18⁶ or \$.20,⁷ depending upon the product.⁸

2. Statutory Basis

The Exchange believes that its proposal to amend its Schedule of Fees is consistent with Section 6(b) of the Act⁹ in general, and furthers the objectives of Section 6(b)(4) of the Act¹⁰ in particular, in that it is an equitable allocation of reasonable dues, fees and other charges among Exchange members. The Exchange believes that the fees proposed for QCC orders are reasonable because QCC orders are similar to facilitation and solicitation orders in that the members have both sides of the order and are entering the order onto the exchange for execution. Members are currently charged \$.20 for executions of facilitation and solicitation orders and because QCC orders have a similar composition, it is reasonable that the Exchange is proposing to extend the same fee to QCC orders. The Exchange believes that the proposed fee is equitable in that this fee is applied consistently across all memberships and client categories, except for ISE Market Makers in certain circumstances. The Exchange believes that it is equitable to allow ISE Market Makers a lower transaction fee in certain circumstances because ISE Market Makers are differentiated from other members in that they have negative and affirmative obligations to the market place.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

⁶ The rate of \$.18 remains unchanged for ISE Market Makers participating in all symbols other than those set forth in footnote 5 [sic].

⁷ ISE Market Makers and Market Maker Plus are charged a higher rate of \$.20 when participating in a QCC order in these select symbols: QQQQ, C, BAC, SPY, IWM, XLF, GE, JPM, INTC, RIMM, T, VZ, UNG, FCX, CSCO, DIA, AMZN, X, AA, AIG, AXP, BBY, CAT, CHK, DNDN, EEM, EFA, EWZ, F, FAS, FAZ, FSLR, GDV, GLD, IYR, MGM, MS, MSFT, MU, PBR, PG, POT, RIG, SDS, SLV, XLE, XOM, ABX, BMY, BP, COP, DELL, FXI, HAL, IBM, KO, LVS, MCD, MO, MON, NOK, ORCL, PFE, QCOM, S, SLB, SMH, SNDK, TBT, USO, V, VALE, WFT, XLI, XRT, YHOO, AKAM, AMD, AMR, APC, BA, BRCM, GG, HPQ, LCC, MOT, NEM, NFLX, NVDA, QID, SSO, TEVA, TLT, TZA, UAL, WFC, XLB, SIRI, SBUX and VVUS.

⁸ Priority Customers are currently not charged when participating in orders executed in the facilitation, solicitation and price improvement mechanism. Consistent with the Exchange's approach, this will be extended to Priority Customers when participating in QCC orders.
