

and NPS Management Policies. The FAA is now inviting the public, agencies, and other interested parties to provide comments, suggestions, and input regarding the range of alternatives and the potential impacts and effects of the alternatives on commercial air tours, natural resources, congressionally designated wilderness, cultural resources, and the park visitor experience.

Attendance is open to the interested public but limited to space availability. The FAA requests that comments be as specific as possible in response to actions that are being proposed under this notice. Both oral and written comments will be accepted during these meetings. Agency personnel will be available to document your spoken comments. All written comments become part of the official record along with previously submitted scoping comments. Written comments on the preliminary alternatives should be submitted at the public meetings, electronically via the electronic public comment form on the NPS Planning, Environment and Public Comment System at: <http://parkplanning.nps.gov/documentsAndLinks.cfm?projectID=29122> or sent to the mailing addresses listed in the **FOR FURTHER INFORMATION CONTACT** section.
