The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: March 25, 2011.

Donald M. Berwick,
Administrator, Centers for Medicare & Medicaid Services.

The proposed information collection consists of semi-structured interviews with key state Temporary Assistance for Needy Families (TANF) and Work Investment Act (WIA) respondents on questions of engagement in additional work activities and expenditures of other benefits and services as well as questions concerning TANF/WIA Coordination. Through this information collection, ACF seeks to elucidate the data presented in reports submitted by states to the ACF Office of Family Assistance (OFA) as required by the Claims Resolution Act of 2010. This collection is separate from the state reports to OFA required by the Act. In addition, it will provide documentation of positive TANF/WIA coordination activities.

Respondents: State administrators responsible for the TANF and WIA Programs.

### DEPARTMENT OF HEALTH AND HUMAN SERVICES

**Administration for Children and Families**

**Proposed Information Collection Activity: Comment Request**

**Title:** Personal Responsibility Education Program (PREP) Multi Component Evaluation—Design Survey.

**OMB No.** New Collection.

**Description:** The Family and Youth Services Bureau (HHS/ACF/ACYF/FYSB) and the Office of Planning, Research, and Evaluation (HHS/ACF/OPRE) in the Administration for Children and Families (ACF) propose a data collection activity as part of the Personal Responsibility Education Program (PREP) Multi Component Evaluation.

In addition to other activities, the PREP Evaluation will document the design of the PREP State grant programs via data gathered from States and selected sub-awardees funded by PREP. The findings will be of interest to the general public, federal and state policymakers, PREP sub-awardees, community-based organizations, and other organizations interested in teen pregnancy prevention.

The proposed activity involves the collection of information through telephone conversations or in-person interviews held with administrators and program staff at the State and sub awardee level. The data collection instrument will focus on information related to program context, administration, and design. This includes, but is not limited to: Program goals and strategy/approach, program setting, population characteristics, state-level requirements and processes, program monitoring, and training and technical assistance.

**Respondents:** State Level Coordinators; Program Directors; Program Staff; General Staff; Schools and Organizations; and Community-Based Organizations.
