SUPPLEMENTARY INFORMATION:

I. Background

The purpose of the meeting is to assist and advise the Secretary of the Department of Health and Human Services (the Secretary) (the Department) through the Center for Consumer Information and Insurance Oversight (CCIIO) on the Department’s strategy to foster the creation of qualified consumer-operated nonprofit health insurance issuers (CO–OPs). Specifically, the advisory committee (the Committee) will advise the Secretary concerning the award of grants and loans related to section 1322 of the Patient Protection and Affordable Care Act (the Affordable Care Act), entitled “Federal program to assist establishment and operation of nonprofit, member run health insurance issuers.” In these matters, the Committee will consult with all components of the Department, other Federal entities, and non-Federal organizations, as appropriate; and examine relevant data sources to assess the grant and loan award strategy to provide recommendations to CCIIO.

II. Meeting Agenda

The Committee will present its proposed report and recommendations as agreed to in substance at the March 14, 2011 advisory committee meeting and will conduct a vote of the Committee on whether to approve the report as its recommendation to CCIIO concerning the grant and loan award strategy for CO–OPs. We intend to make background material available to the public no later than 2 business days prior to the meeting. If we are unable to post the background material on our Web site prior to the meeting, the background material will be posted on

In compliance with the requirements of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Administration for Children and Families is soliciting public comment on the specific aspects of the information collection described above. Copies of the proposed collection of information may be obtained and comments may be forwarded by writing to the Administration for Children and Families, Office of Planning, Research and Evaluation, 370 L’Enfant Promenade, SW., Washington, DC 20447. Attn: OPRE Reports Clearance Officer. E-mail address: OPREInforcollection@acf.hhs.gov. All requests should be identified by the title of the information collection.

The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

Dated: March 24, 2011.

Steven M. Hamer,
Reports Clearance Officer.

The proposed information collection consists of semi-structured interviews with key state Temporary Assistance for Needy Families (TANF) and Work Investment Act (WIA) respondents on questions of engagement in additional work activities and expenditures of other benefits and services as well as questions concerning TANF/WIA Coordination. Through this information collection, ACF seeks to elucidate the data presented in reports submitted by states to the ACF Office of Family Assistance (OFA) as required by the Claims Resolution Act of 2010. This collection is separate from the state reports to OFA required by the Act. In addition, it will provide documentation of positive TANF/WIA coordination activities.

Respondents: State administrators responsible for the TANF and WIA Programs.

This request for comment follows on a 60-Day Federal Register Public Comment Request Notice, published on Monday, July 12, 2010, pp. 39695–39696, with the document identifier of OS–0990–New.

This proposed information collection activity focuses on collecting follow-up data from a self-administered questionnaire which will be analyzed to determine program effects. Through a survey instrument, respondents will be asked to answer questions about demographics and risk and protective factors related to teen pregnancy.

Respondents: The data will be collected through private, self-administered questionnaires completed by study participants, i.e., adolescents assigned to a select school or community teen pregnancy prevention program or to a control group. Surveys will be distributed and collected by trained professional staff.
