BILLING CODE 3190-W1-P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Public Notice for Waiver of Aeronautical Land-Use Assurance; Capital Region International Airport, Lansing, MI

AGENCY: Federal Aviation Administration, DOT.

ACTION: Notice of intent of waiver with respect to land.

SUMMARY: The Federal Aviation Administration (FAA) is considering a proposal to change a portion of the airport from aeronautical use to non-aeronautical use and to authorize the sale of the airport property. The proposal consists of remnants from 8 parcels of land, totaling approximately 7.33 acres. Current use and present condition is undeveloped land compatible with local commercial/industrial zoning classification. The land was acquired under the FAA Project Numbers 3-26-0055-3906, 3-26-0055-4107, and 3-26-0055-44208. The remnants left from construction activities during airport development are not usable to the airport due to shape and size. There are no impacts to the airport by allowing the airport to dispose of the property, since the land is no longer needed for aeronautical use. Subject land may provide good commercial/industrial development opportunities for the community and are well outside airport perimeter fence limits. Approval does not constitute a commitment by the FAA to financially assist in the disposal of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the sale of the airport property will be in accordance FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999. In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

DATES: Comments must be received on or before May 2, 2011.

ADDRESSES: Documents reflecting this FAA action may be reviewed at the Detroit Airports District Office.

FOR FURTHER INFORMATION CONTACT:
