Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to ensure that the public and in particular minorities, women, and persons with disabilities, are aware of this notice, FSIS will announce it on-line through the FSIS Web page located at http://www.fsis.usda.gov/regulations_&_policies/Federal_Register_Notices/index.asp.

FSIS also will make copies of this **Federal Register** publication available through the FSIS Constituent Update, which is used to provide information regarding FSIS policies, procedures, regulations, Federal Register notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The Update is communicated via Listserv, a free e-mail subscription service consisting of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals who have requested to be included. The Update also is available on the FSIS Web page. Through Listserv and the Web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an e-mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at http://www.fsis.usda.gov/News_&_Events/Email_Subscription/. Options range from recalls, export

information, regulations, directives, and notices. Customers can add or delete subscriptions themselves, and have the option to password protect their accounts.

SUPPLEMENTARY INFORMATION:

Background

Codex was established in 1963 by two United Nations organizations, the Food and Agriculture Organization and the World Health Organization. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure that fair practices are used in trade.

The CCFFV is responsible for elaborating worldwide standards and codes of practice as may be appropriate for fresh fruits and vegetables, consulting with the United Nations Economic Commission for Europe (UNECE) Working Party on Agricultural Quality Standards in the elaboration of worldwide standards and codes of practice with particular regard to ensuring that there is no duplication of standards or codes of practice and that they follow the same broad format, and consulting as necessary with other international organizations which are active in the area of standardization of fresh fruits and vegetables.

The Committee is hosted by Mexico.

Issues To Be Discussed at the Public Meeting

The following items on the agenda for the 16th session of the CCFFV will be discussed during the public meeting:

- Matters arising from Codex and other Codex Committees—Need for international Standard for Fresh Fungus “Chanterelle.” Possible extension of territorial application of the Codex

Standard for Fresh Fungus “Chanterelle”.

- Matters arising from other International Organizations on the Standardization of Fresh Fruits and Vegetables.

- UNECE Standards for Fresh Fruits and Vegetables—UNECE Standard for Avocado.

- Draft Standard for Avocado.
- Draft Standard for Tree Tomatoes.
- Proposed Draft Standard for Chili Peppers.

- Proposed Draft Standard for Pomegranate.

- Proposed Layout for Codex Standards for Fresh Fruits and Vegetables.
- Discussion Paper on Point of Application of Codex Standards for Fresh Fruits and Vegetables including Quality Tolerances at Import and Export Control Points.

- Proposals for New Work on Codex Standards for Fresh Fruits and Vegetables.

Each issue listed will be fully described in documents distributed, or to be distributed, by the Secretariat prior to the meeting. Members of the public may access these documents (*see ADDRESSES*).
