Notice of Availability of a Memorandum of Understanding Between the Federal Energy Regulatory Commission and the U.S. Fish and Wildlife Service To Promote Conservation of Migratory Birds

This notice announces the availability of a Memorandum of Understanding (MOU) between the Federal Energy Regulatory Commission (FERC) and the U.S. Fish and Wildlife Service (FWS) to Promote Conservation of Migratory Birds signed March 30, 2011. The MOU provides for strengthening migratory bird conservation by identifying and implementing strategies that promote conservation and reduce or eliminate adverse impacts on migratory birds through enhanced collaboration between FERC and FWS.

The MOU identifies specific activities where cooperation between FERC and FWS will contribute to the conservation of migratory birds and their habitat, and outlines a collaborative approach to

promoting the conservation of migratory bird populations and furthering implementation of the migratory bird conventions, the Migratory Bird Treaty Act, the Bald and Golden Eagle Protection Act, and other pertinent statutes. The implementation of the MOU will be coordinated through ongoing communication between the FERC Office of Energy Projects and the FWS Division of Migratory Bird Management.

The MOU will be available on the FERC (<http://www.ferc.gov/legal/maj-ord-reg/mou.asp>) and FWS (<http://www.fws.gov/migratorybirds/PartnershipsAndInitiatives.html>) Web sites.

[Docket No. PR09-6-003]

J-W Pipeline Company; Notice of Motion for Extension of Rate Case Filing Deadline

Take notice that on March 28, 2011, J-W Pipeline Company (J-W) filed a request for an extension consistent with the Commission's revised policy of periodic review from a triennial to a five year period. The Commission in Order No. 735 modified its policy concerning periodic reviews of rates charges by section 311 and Hinshaw pipelines to extend the cycle for such reviews from three to five years.¹ Therefore, J-W requests that the date for its next rate filing be extended to November 21, 2013, which is five years from the date of J-W's most recent rate filing with this Commission.

Any person desiring to participate in this rate proceeding must file a motion to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211

¹ Contract Reporting Requirements of Intrastate Natural Gas Companies, Order No. 735, 131 FERC ¶ 61,150 (May 20, 2010).

and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the date as indicated below. Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 7 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.
