The first four are Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), Emergency Shelter Grants (ESG), and Housing Opportunities for Persons with AIDS formula (HOPWA) programs. IDIS also supports three

Grantees have access only to information for their own grant funded activities. They report to HUD on the activities on which grant funds are used, draw program funds, and report on activity accomplishments. Personable Identifiable Information (PII) does not appear on any generated reports. CPD staff review all information before responding to FOIA request to verify that Personable Identifiable Information (PII) is not being released. If the Department suspects or has confirmed that the security or confidentiality of information in the system of records has been compromised; or if the Department has determined that as a result of the suspected or confirmed compromise there is a risk of harm to economic or property interests, identity theft or fraud, or harm to the security or integrity of this system, then the disclosure made to such agencies,
