

DEPARTMENT OF DEFENSE**Department of the Army, Corps of Engineers****Withdrawal of Notice of Intent To Prepare a Supplemental Environmental Impact Statement for a Proposed 278 Megawatt Circulating Fluidized Bed Electric Generating Unit by East Kentucky Power Cooperative, Inc., in Clark County, KY**

AGENCY: U.S. Army Corps of Engineers, DoD.

ACTION: Withdrawal of notice.

SUMMARY: The Louisville District of the U.S. Army Corps of Engineers (Corps) today withdraws its Notice of Intent (74 FR 48236, September 22, 2009) to prepare a Supplemental Environmental Impact Statement (SEIS) for a proposed 278 megawatt circulating fluidized bed electric generating unit by East Kentucky Power Cooperative, Inc. (EKPC), in Clark County, Kentucky. EKPC withdrew its application for a Section 404 of the Clean Water Act and Section 10 of the Rivers and Harbors Act permit to construct the facility permit on December 3, 2010.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Hasty, Senior Project Manager, South Section, Regulatory Branch, Louisville District, P.O. Box 59, Louisville, KY 40201-0059. Phone: (502) 315-6676, e-mail: michael.d.hasty@usace.army.mil.

SUPPLEMENTARY INFORMATION: EKPC applied for a Department of the Army (DA) permit from the Corps on October 8, 2008. The application requested authorization for unavoidable impacts to jurisdictional waters of the U.S. pursuant to Section 404 of the Clean Water Act and Section 10 of the Rivers and Harbors Act. The Proposed Action involved the construction and operation of a 278 megawatt circulating fluidized bed electric generating unit and associated infrastructure at the existing J.K. Smith Power Station in southern Clark County, Kentucky. Other appurtenant features of the Proposed Action included: An approximately one-mile, 345 kV electric transmission line; two (2) beneficial reuse structural fills using coal combustion by-products (CCB); two (2) landfills for the on-site disposal of CCB; an emergency drought water storage reservoir; several soil borrow areas for landfill cover and other site development uses; and a new water intake/outfall structure in the Kentucky River.

The Corps announced the NOI to prepare a SEIS to evaluate the potential effects of the Proposed Action on the

environment on September 22, 2009 (74 FR 48236). The Corps also made a Draft SEIS available for comment on April 9, 2010 (75 FR 18166). A Public Hearing was held on June 8, 2010 in Winchester, KY. At the time of EKPC's withdrawal, the Corps was evaluating comments received at the Public Hearing and in response to the NOI in preparation of a Final SEIS. Due to a variety of factors, EKPC withdrew its application for a Department of the Army permit to construct the facility on December 3, 2010.

Dated: April 4, 2011.

Keith A. Landry,

Colonel, Corps of Engineers, District Commander.

Abstract: This request for OMB approval is to conduct a second follow-up field test for the Baccalaureate and Beyond Longitudinal Study of 2008/2012 (B&B:08/12), from June through October 2011. The primary purpose of the B&B series of studies is to describe the various paths of recent college graduates into employment and additional education. Baseline data for the B&B:08 cohort were collected as part of the National Postsecondary Student Aid Study (NPSAS:08). The first follow-up interview (B&B:08/09) collected information from respondents one year after they received their bachelor's degree; the second follow-up (B&B:08/12) will collect data four years after bachelor's degree receipt. Interview data will be supplemented with a variety of administrative data sources, including the Central Processing System, the National Student Loan Data System, and the National Student Clearinghouse. This request also requests a waiver of the 60-day Federal Register notice for the full-scale data collection package. Full-scale data collection will take place from July 2012 through March 2013.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Comment request.

SUMMARY: The Department of Education (the Department), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the reporting burden on the public and helps the public understand the Department’s information collection requirements and provide the requested data in the desired format. The Director, Information Collection Clearance Division, Information Management and Privacy Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 13, 2011.

ADDRESSES: Comments regarding burden and/or the collection activity requirements should be electronically mailed to ICDocketMgr@ed.gov or mailed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202–4537. Please note that written comments received in response to this notice will be considered public records.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that Federal agencies provide interested parties an early opportunity to comment on information collection requests. The Director, Information Collection Clearance Division, Information Management and Privacy Services, Office of Management, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Abstract: The final regulations (668.6(b)) require the following disclosures to prospective students in a gainful employment program: The name and Standard Occupational Classification (SOC) code for each occupational training program and links to the Department of Labor’s O-Net site to obtain occupation profile data using a SOC code, or a representative sample of SOC codes for graduates of its program; information about on-time graduation rates for students completing the program; the total amount of tuition and fees charged for completing the program within the normal time it takes to complete the course requirements as published in the institution’s catalog,

along with the typical costs for books and supplies, and the cost of room and board, if applicable, including providing a Web link or access to the program cost information the institution makes available to all enrolled and prospective students under section 668.43(a). Beginning July 1, 2011, the placement rate as determined under the institution’s accrediting agency or State requirements, or the placement rate that will be determined in the future by the National Center for Education Statistics, must be reported by the institution. In addition, the institution must disclose the median loan debt incurred by students who completed the program as provided by the Secretary, as well as any other information about the program provided by the Secretary. The institution must identify separately the median title IV, Higher Education Act loan debt and the median loan debt from the private education loan debt and institutional financing plans.
