

recognized by the Secretary or based upon the institution being in operation for at least 20 years.”

6. On page 66873, in the first column, under the paragraph labeled as (2), the sentence is corrected by adding the words “or entity” between the words “person” and “based”, so that the sentence reads: “Whether the commission, bonus, or other incentive payment is provided to any person or entity based in any part, directly or indirectly, upon success in securing enrollments or the award of financial aid, which are defined as activities engaged in for the purpose of the admission or matriculation of students for any period of time or the award of financial aid.”

7. On page 66876, in the third column, under the paragraph labeled as (2), the sentence is corrected by adding the words “or entity” between the words “person” and “based”, so that the sentence reads: “Whether the commission, bonus, or other incentive payment is provided to any person or entity based in any part, directly or indirectly, upon success in securing enrollments or the award of financial aid, which are defined as activities engaged in for the purpose of the admission or matriculation of students for any period of time or the award of financial aid.”

8. On page 66878, in the first column, in the paragraphs labeled as the *Discussion* section, in the third paragraph, the sentence is corrected by adding the words “or entity” after the word “person” and deleting the words “who is”, so that the sentence reads: “For this reason, we are making a change to § 668.14(b)(22)(i) to provide that institutions may make payments, including profit-sharing payments, so long as they are not provided to any person or entity engaged in student recruitment or admission activity or in making decisions regarding the award of title IV, HEA program funds.”

9. On page 66878, in the paragraph labeled *Changes* that begins at the bottom of the first column, the sentence is corrected by adding the words “or entity” after the word “person” and deleting the words “who is”, so that the sentence reads: “We have revised § 668.14(b)(22)(ii) to clarify that, notwithstanding the ban in § 668.14(b)(22)(i), eligible institutions, organizations that are contractors to eligible institutions, and other entities may make profit-sharing payments, so long as such payments are not provided to any person or entity engaged in student recruitment or admission activity or in making decisions

regarding the award of title IV, HEA program funds.”

10. On page 66895, in the third column, in the first paragraph, the words “or a second disbursement of Pell Grant funds,” are removed so that the sentence reads: “If the student has not begun attendance in enough courses to establish a half-time enrollment status, the institution may not make a first disbursement of a Direct Loan to the student (34 CFR 685.303(b)(2)(i)), although the funds are included as aid that could have been disbursed in the Return of Title IV Funds calculation.”

11. On page 66916, the paragraph labeled *Discussion* that begins at the bottom of the second column and ends in the third column is removed and the following corrected *Discussion* is added in its place to read as follows:

“*Discussion*: As noted elsewhere in this preamble, the Department enforces its regulations, including those in subpart F of part 668 within a rule of reasonableness. We strongly believe that the concerns voiced by many commenters have ignored this fact. For this reason, we agree to limit the reach of the ban on making substantial misrepresentations to statements made by any ineligible institution, organization, or person with whom the eligible institution has an agreement to provide educational programs or those that provide marketing, advertising, recruiting, or admissions services. We have done this by narrowing the language in § 668.71(b) and the definition of the term *misrepresentation*. As a result, statements made by students through social media outlets will generally not be covered by these misrepresentation regulations. Also, statements made by entities that have agreements with the institution to provide services, such as food service, other than educational programs, marketing, advertising, recruiting, or admissions services will generally not be covered by these misrepresentation regulations.”

12. On page 66917, in the third column, the third paragraph is corrected to read as follows:

“With regard to the commenters who stated that the ‘capacity, likelihood, or tendency to deceive or confuse’ language will be confusing, in general, we have no reason to believe that this language will have any such effect. However, we recognize that the word ‘capacity’ is subject to a broad range of interpretations, so we have revised the regulations to state that a misleading statement is one that has the tendency or likelihood to deceive or confuse.”

13. On page 66918, in the first column, the *Changes* paragraph

incorrectly indicated that no changes were made to § 668.71(c). That paragraph is corrected to read as follows:

“*Changes*: We have revised § 668.71(c) to state that a misleading statement is one that has the tendency or likelihood to deceive or confuse.”
