Stainless Steel Bar From India: Extension of Time Limit for the Final Results of the 2009–2010 Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 14, 2011.

FOR FURTHER INFORMATION CONTACT: Scott Holland or Yasmin Nair, AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–1279 and (202) 482–3813, respectively.

SUPPLEMENTAL INFORMATION:

Background

On March 4, 2011, the Department of Commerce (“Department”) published its preliminary results of the 2009–2010 antidumping duty administrative review. See Stainless Steel Bar From India: Preliminary Results of, and Partial Rescission of, the Antidumping Duty Administrative Review, and Intent Not To Revocate the Order, in Part, 76 FR 12044 (March 4, 2011) (“Preliminary Results”). The final results for this review are currently due no later than July 2, 2011.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“Act”), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

The Department has determined that it requires additional time to complete this review. After publishing the Preliminary Results, the Department conducted a verification of the cost of production responses for Venus Wire Industries Pvt. Ltd. and its affiliate, Sieves Manufacturers (India) Private Limited. The Department intends to issue a comprehensive report of the results of this verification. Further, the Department needs to allow time for parties to review this verification report, which further delays the briefing schedule. Thus, it is not practicable to complete this review by July 2, 2011, and the Department is extending the time limit for completion of the final results by an additional 60 days to August 31, 2011.

This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: April 7, 2011.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Kitchen Appliance Shelving and Racks From the People’s Republic of China: Extension of Time Limits for the Preliminary Results of the First Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: Effective Date: April 14, 2011.

FOR FURTHER INFORMATION CONTACT: Katie Marksberry or Kabir Archuleta, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482–7906 or (202) 482–2593, respectively.

Background

On January 20, 2011, the Department selected two mandatory respondents in the above referenced administrative review pursuant to section 777A(c)(2)(B) of the Tariff Act of 1930, as amended (“the Act”): Guandong Wireking Housewares & Hardware Co., Ltd. (“Wireking”) and Jiangsu Weixi Group Co. (“Weixi”).

The Department sent its antidumping duty questionnaire to Weixi and Wireking on January 20, 2011. In its questionnaire, the Department requested that the two firms provide a response to

1 Nashivile Wire Products Inc. and SSW Holding Company, Inc. (collectively, “Petitioners”) initially requested that the Department initiate an administrative review of ten companies; however, we required additional information concerning why, pursuant to 19 CFR 351.213(b)(1), Petitioners desired a review of five of these companies. See First Initiation, 75 FR at 66352. Accordingly, the Department postponed initiation of this administrative review with respect to five companies requested by Petitioners. See id. and Initiation of Antidumping and Countervailing Duty Administrative Reviews; Correction, 75 FR 69054 (November 10, 2010). After reviewing additional information placed on the record of this administrative review by Petitioners, we determined that, for three of the five postponed companies, Petitioners did not provide any reason, other than alleged transshipment, for initiating; therefore, we declined to initiate a review for Asia Pacific CIS (Thailand) Co., Ltd., Taiwan Rail Company, and King Shan Wire Co., Ltd. See Initiation of Antidumping and Countervailing Duty Administrative Reviews, 75 FR 70306, 70309 (November 29, 2010). However, we did, at this point, also determine that it was appropriate to conduct this review with respect to two additional companies originally requested by Petitioners: Asia Pacific CIS (Wuxi) Co., Ltd., and Hengtong Hardware Manufacturing (Huizhou) Co., Ltd. See id.

2 See Memorandum to James C. Doyle, Office Director, Office 9, through Catherine Bertrand, Program Manager, Office 9, from Kabir Archuleta, International Trade Analyst, Office 9, “Selection of Respondents for the Antidumping Review of Certain Kitchen Appliance Shelving and Racks from the People’s Republic of China,” dated January 20, 2011.

3 See Letters to Weixi and Wireking from Catherine Bertrand, Program Manager, AD/CVD Operations, Office 9, regarding “Kitchen Appliance Shelving and Racks from the People’s Republic of China,” dated January 20, 2011.
Section A of the Department’s questionnaire by February 10, 2011, and Sections C and D of the questionnaire by February 28, 2011.

On February 2, 2011, eight days prior to the Department’s February 10, 2011, deadline for Section A questionnaire responses, the Department received a request on behalf of New King Shan (Zhuhai) Co., Ltd. (“NKS”), a mandatory respondent in the original investigation and a separate rate company in this review, to be selected as a replacement mandatory respondent in the event of a non-responsive mandatory respondent and for a 28-day extension to submit questionnaire responses. On February 4, 2011, Wireking filed a request for an extension of the deadline to submit its Section A response, which the Department extended to February 22, 2011, for Wireking and any potential voluntary respondents. The Department did not receive an extension request from Weixi and did not receive its Section A response by the appointed deadline.

On February 23, 2011, the Department received an unsolicited Section A questionnaire response from NKS. On March 1, 2011, because Weixi did not cooperate with our request for information, the Department selected NKS, the third largest exporter by volume, as a replacement mandatory respondent. We also determined that it was appropriate to use the Section A response already submitted by NKS as the basis for that company’s response as a mandatory respondent. On March 1, 2011, the Department sent its antidumping questionnaire to NKS and assigned a deadline of March 22, 2011, for its Sections C and D responses. The preliminary results of this review are currently due on June 2, 2011.

Statutory Time Limits

Section 751(a)(3)(A) of the Act requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. Consistent with section 751(a)(3)(A) of the Act, the Department may extend the 245-day period to 365 days if it is not practicable to complete the review within a 245-day period.

Extension of Time Limit of Preliminary Results

The preliminary results are currently due on June 2, 2011. The non-responsiveness of one of the initial mandatory respondents, Weixi, and the selection of an additional mandatory respondent, NKS, restricted the time that the Department has available to gather and analyze additional information related to the sales process, affiliations, establishing the proper date of sale, surrogate values for all factors of production, and the methodology used to report factors of production. As the Department has yet to receive all responses to its supplemental questionnaires, we require more time to analyze the responses and issue any additional supplemental questionnaires, as needed. Therefore, we find that it is not practicable to complete these preliminary results within the current 245-day deadline.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time limit for issuing the preliminary results by 120 days until September 30, 2011. The final results continue to be due 120 days after the publication of the preliminary results.

This notice is published pursuant to section 777(i)(1) of the Act and 19 CFR 351.213(h)(2).

Dated: April 7, 2011.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
