The exemptions are extended subject to the following conditions: (1) That each individual has a physical examination every year (a) by an ophthalmologist or optometrist who attests that the vision in the better eye continues to meet the standard in 49 CFR 391.41(b)(10), and (b) by a medical examiner who attests that the individual is otherwise physically qualified under 49 CFR 391.41; (2) that each individual provides a copy of the ophthalmologist's or optometrist's report to the medical examiner at the time of the annual medical examination; and (3) that each individual provide a copy of the annual medical certification to the employer for retention in the driver's qualification file and retains a copy of the certification on his/her person while driving for presentation to a duly authorized Federal, State, or local enforcement official. Each exemption will be valid for two years unless rescinded earlier by FMCSA. The exemption will be rescinded if: (1) The person fails to comply with the terms and conditions of the exemption; (2) the exemption has resulted in a lower level of safety than was maintained before it was granted; or (3) continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315.

Basis for Renewing Exemptions

Under 49 U.S.C. 31315(b)(1), an exemption may be granted for no longer than two years from its approval date and may be renewed upon application for additional two year periods. In accordance with 49 U.S.C. 31136(e) and 31315, each of the 40 applicants has satisfied the entry conditions for obtaining an exemption from the vision requirements (65 FR 78256; 66 FR

16311; 67 FR 76439; 68 FR 10298; 68 FR 10301; 68 FR 13360; 68 FR 19596; 69 FR 33997; 69 FR 61292; 69 FR 64806; 70 FR 16886; 70 FR 16887; 70 FR 2701; 70 FR 2705; 70 FR 7543; 70 FR 71884; 71 FR 4632; 72 FR 11426; 72 FR 11425; 72 FR 12666; 72 FR 18726; 72 FR 180; 72 FR 184; 72 FR 5489; 72 FR 25831; 72 FR 39879; 72 FR 52419; 72 FR 18726; 72 FR 9397; 73 FR 6246; 73 FR 75803; 74 FR 15584; 74 FR 15586; 74 FR 11988; 74 FR 11991; 74 FR 21427; 74 FR 6209; 74 FR 6211; 74 FR 7097; 74 FR 8842). Each of these 40 applicants has requested renewal of the exemption and has submitted evidence showing that the vision in the better eye continues to meet the standard specified at 49 CFR 391.41(b)(10) and that the vision impairment is stable. In addition, a review of each record of safety while driving with the respective vision deficiencies over the past two years indicates each applicant continues to meet the vision exemption standards. These factors provide an adequate basis for predicting each driver's ability to continue to drive safely in interstate commerce. Therefore, FMCSA concludes that extending the exemption for each renewal applicant for a period of two years is likely to achieve a level of safety equal to that existing without the exemption.

Request for Comments

FMCSA will review comments received at any time concerning a particular driver's safety record and determine if the continuation of the exemption is consistent with the requirements at 49 U.S.C. 31136(e) and 31315. However, FMCSA requests that interested parties with specific data concerning the safety records of these drivers submit comments by May 18, 2011.

FMCSA believes that the requirements for a renewal of an exemption under 49 U.S.C. 31136(e) and 31315 can be satisfied by initially granting the renewal and then requesting and evaluating, if needed, subsequent comments submitted by interested parties. As indicated above, the Agency previously published notices of final disposition announcing its decision to exempt these 40 individuals from the vision requirement in 49 CFR 391.41(b)(10). The final decision to grant an exemption to each of these individuals was made on the merits of each case and made only after careful consideration of the comments received to its notices of applications. The notices of applications stated in detail the qualifications, experience, and medical condition of each applicant for an exemption from the vision

requirements. That information is available by consulting the above cited **Federal Register** publications.

Interested parties or organizations possessing information that would otherwise show that any, or all, of these drivers are not currently achieving the statutory level of safety should immediately notify FMCSA. The Agency will evaluate any adverse evidence submitted and, if safety is being compromised or if continuation of the exemption would not be consistent with the goals and objectives of 49 U.S.C. 31136(e) and 31315, FMCSA will take immediate steps to revoke the exemption of a driver.

DEPARTMENT OF TRANSPORTATION

Surface Transportation Board

[Docket No. FD 35484]

Arkansas Shortline Railroads, Inc.— Continuance in Control Exemption— Dardanelle & Russellville Railroad, Inc., Ouachita Railroad, and Camden & Southern Railroad, Inc.

Arkansas Shortline Railroads, Inc. (ASR), a noncarrier, has filed a verified notice of exemption pursuant to 49 CFR 1180.2(d)(2) to continue in control of Camden & Southern Railroad, Inc. (C&S), upon C&S's becoming a Class III rail carrier.

This transaction is related to a verified notice of exemption filed on April 7, 2011, in Docket No. FD 35483, *Camden & Southern Railroad, Inc.—Lease & Operation Exemption—Camden Area Industrial Development Corporation*. In that proceeding, C&S seeks an exemption under 49 CFR 1150.31 to lease and operate 17,837 feet of trackage owned by Camden Area Industrial Development Corporation, located at Zone JH482, Yard 06, opposite milepost 463 of Union Pacific Railroad Company's Gurdon Subdivision, Camden, Ouachita County, Ark.

The parties intend to consummate the transaction on or shortly after the effective date of the related notice.

ASR currently controls 2 Class III railroads, Dardanelle & Russellville Railroad, Inc. and Ouachita Railroad.

ASR represents that: (1) The rail line to be operated by C&S does not connect with any other railroads in the corporate family; (2) the transaction is not part of

a series of anticipated transactions that would connect the rail lines with any other railroad in the corporate family; and (3) the transaction does not involve a Class I rail carrier. Therefore, the transaction is exempt from the prior approval requirements of 49 U.S.C. 11323. See 49 CFR 1180.2(d)(2).

Under 49 U.S.C. 10502(g), the Board may not use its exemption authority to relieve a rail carrier of its statutory obligation to protect the interests of its employees. Section 11326(c), however, does not provide for labor protection for transactions under § 11324 and § 11325 that involve only Class III rail carriers. Accordingly, the Board may not impose labor protective conditions here because all of the carriers involved are Class III carriers.

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Stay petitions must be filed no later than April 29, 2011 (at least 7 days before the exemption becomes effective).

An original and 10 copies of all pleadings, referring to Docket No. FD 35484, must be filed with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001. In addition, one copy of each pleading must be served on Richard H. Streeter, 5255 Partridge Lane, NW., Washington, DC 20016.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: April 12, 2011.

By the Board.

Director, Office of Proceedings.

Clearance Clerk.

SUPPLEMENTARY INFORMATION: The OCC is proposing to revise the following information collection:

Title: Fair Housing Home Loan Data System Regulation.

OMB Control No.: 1557-0159.

Description: The Fair Housing Act (42 U.S.C. 3605) prohibits discrimination in the financing of housing on the basis of race, color, religion, sex, or national origin. The Equal Credit Opportunity Act (15 U.S.C. 1691 *et seq.*) prohibits discrimination in any aspect of a credit transaction on the basis of race, color, religion, national origin, sex, marital status, age, receipt of income from

public assistance, or exercise of any right under the Consumer Credit Protection Act. The OCC is responsible for ensuring that national banks comply with those laws. This information in collection 12 CFR Part 27 is needed to promote national bank compliance and for OCC to fulfill its statutory responsibilities.

The information collection requirements in 12 CFR part 27 are as follows:

- Section 27.3(a) requires national banks that are required to collect data on home loans under 12 CFR part 203 to present the data on Federal Reserve Form FR HMDA-LAR,¹ or in automated format in accordance with the HMDA-LAR instructions, and to include one additional item (the reason for denial) on the HMDA-LAR. Section 27.3(a) also lists exceptions to the HMDA-LAR recordkeeping requirements.

- Section 27.3(b) lists the information banks should obtain from an applicant as part of a home loan application, and states information that a bank must disclose to an applicant.

- Section 27.3(c) sets forth additional information required to be kept in the loan file.

- Section 27.4 states that the OCC may require a national bank to maintain a Fair Housing Inquiry/Application Log found in Appendix III to part 27 if there is reason to believe that the bank is engaging in discriminatory practices or if analysis of the data compiled by the bank under the Home Mortgage Disclosure Act (12 U.S.C. 2801 *et seq.*) and 12 CFR part 203 indicates a pattern of significant variation in the number of home loans between census tracts with similar incomes and home ownership levels differentiated only by race or national origin.

- Section 27.5 requires a national bank to maintain the information required by § 27.3 for 25 months after the bank notifies the applicant of action taken on an application, or after withdrawal of an application.

- Section 27.7 requires a national bank to submit the information required by §§ 27.3(a) and 27.4 to the OCC upon its request, prior to a scheduled examination using the Monthly Home Loan Activity Format form in Appendix I to part 27 and the Home Loan Data Form in Appendix IV to part 27.
