

**Register** on September 15, 2010 (75 FR 56143). The notice was amended on December 6, 2010 and January 21, 2011 to include on-site leased workers from Supply Technologies, Aerotek and Securitas Security Services. The notice was published in the **Federal Register** on December 13, 2010 (75 FR 77666) and February 2, 2011 (76 FR 5833), respectively.

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The company reports that workers leased from Volt Workforce Solutions were employed on-site at the Osceola, Wisconsin location of Polaris Industries. The Department has determined that these workers were sufficiently under the control of Polaris Industries to be considered leased workers.

Based on these findings, the Department is amending this certification to include workers leased from Volt Workforce Solutions working on-site at the Osceola, Wisconsin location of Polaris Industries.

The amended notice applicable to TA-W-74,336 is hereby issued as follows:

All workers of Polaris Industries, including on-site leased workers from Westaff, Supply Technologies, Aerotek, Securitas Security Services, and Volt Workforce Solutions, Osceola, Wisconsin, who became totally or partially separated from employment on or after June 28, 2009 through August 26, 2012, and all workers in the group threatened with total or partial separation from employment on the date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 12th day of April 2011.
