Bureau of Educational and Cultural Affairs (ECA) Request for Grant Proposals: Youth Leadership Program

Announcement Type: New Cooperative Agreement.

Funding Opportunity Number: ECA/PE/C/PY-11-69.

Catalog of Federal Domestic Assistance Number: 19.415.

Application Deadline: June 6, 2011.

Executive Summary

The Office of Citizen Exchanges, Youth Programs Division, of the Bureau of Educational and Cultural Affairs (ECA) announces an open competition for the Youth Leadership Program. Public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3) may submit proposals to provide youth and adult participants with three or more separate three-week exchanges focused on civic education, community service, and youth leadership development, and to support follow-on projects in their home communities. U.S. Embassies in the participating countries will recruit, screen, and select the participants. The successful applicant will provide flexible programming and work with ECA and U.S. Embassies as they identify the participating countries in response to emerging circumstances requiring U.S. engagement.

I. Funding Opportunity Description

Authority

Overall grant making authority for this program is contained in the Mutual Educational and Cultural Exchange Act of 1961, Public Law 87-256, as amended, also known as the Fulbright-Hays Act. The purpose of the Act is “to enable the Government of the United States to increase mutual understanding between the people of the United States and the people of other countries * * *; to strengthen the ties which unite us with other nations by demonstrating the educational and cultural interests, developments, and achievements of the people of the United States and other nations * * * and thus to assist in the development of friendly, sympathetic and peaceful relations between the United States and the other countries of the world.” The funding authority for the program above is provided through legislation.

Overview

The Youth Leadership Program provides three-week exchanges in the United States for high school youth and adult educators from countries identified as Department priorities. Exchange activities will focus on civic education, community service, and youth leadership development. Secondary themes on issues of global relevance may be added. Participants will engage in a variety of activities such as workshops on leadership and service, community site visits related to the program themes and subthemes, interactive training and discussion groups, presentations, visits to high

schools, local cultural activities, homestays, and other activities designed to achieve the program’s stated goals.

Multiple opportunities for participants to interact meaningfully with their American peers must be included. Follow-on activities with the participants are an integral part of the program, as the students apply the knowledge and skills they have acquired by planning service projects in their home communities.

The goals of the program are to:

- (1) Promote mutual understanding between the people of the United States and the people of other countries;
- (2) Prepare youth leaders to become responsible citizens and contributing members of their communities; and
- (3) Foster relationships among youth from different ethnic, religious, and national groups.

The objectives of the program are for participants to:

- (1) Demonstrate a better understanding of the elements of a participatory democracy as practiced in the United States;
- (2) Demonstrate critical thinking and leadership skills; and

(3) Demonstrate skills in developing project ideas and planning a course of action to bring the projects to fruition.

The primary themes of the program are:

- (1) Civic Education (Citizen Participation, Grassroots Democracy and Rule of Law);
- (2) Community Service; and
- (3) Youth Leadership Development.

For each project, applicant organizations must focus on these primary themes. Secondary themes such as business and entrepreneurship, the environment, public health, or other topics of global relevance will serve to illustrate the more abstract concepts of the primary themes. For example, the secondary theme of the environment can be used to examine how a group of individuals with an idea can start a recycling campaign in their community. These themes may vary in response to Department priorities connected with the countries that participate.

Using these goals, objectives, and themes, applicant organizations should identify their own specific and measurable outputs and outcomes based on the project specifications provided in this solicitation. Proposals should indicate how recipients will achieve the short-term program objectives, and how these objectives will contribute to the achievement of the stated long-term goals.

Project Outline

The amount of funding available is approximately \$600,000. ECA

anticipates awarding one cooperative agreement for the management of this Youth Leadership Program. With funding of approximately \$7,500 per participant, the program will involve hosting a total of about 70 to 90 high school students and educators for three-week exchanges in the United States in 2012. They will travel in several delegations, each delegation ranging from 14 to 24 participants and each delegation representing a different country or region from around the world, to be determined in consultation with Department stakeholders as emerging events dictate.

Applicants are encouraged to be creative and flexible in making arrangements that will help meet our program goals. For instance, the groups may not all be of equal size and may travel at anytime throughout the year. More exchange participants may be included should funding allow. The Bureau reserves the right to reduce, revise, or increase proposal project configurations, budgets, and participant numbers in accordance with the needs of the program and the availability of funds.

Participants

U.S. Embassies in the participating countries will recruit, screen, and select the participants; the award recipient will not be involved in participant selection. The youth participants will be high school students aged 15 to 18 years old. The adult participants may be teachers, trainers, school administrators, and/or community leaders who work with youth. They will have the dual role of both exchange participant and chaperone. The ratio of youth to adult participants will be approximately 7:1. Participants will be proficient in the English language.

Organizational Capacity

Applicant organizations must demonstrate their capacity for conducting international youth exchanges, providing projects that address the goals, objectives, and themes outlined in this document, and providing age-appropriate programming for youth.

U.S. Embassy Involvement

U.S. Embassies in the participating countries will recruit, screen, and select the participants; provide pre-departure briefings; facilitate visas; and collaborate with the U.S. recipient organization in overseeing alumni follow-on projects. Once a cooperative agreement is awarded and the participating countries are identified, which may take place throughout the

agreement period, the recipient must consult regularly with the Public Affairs Section at the U.S. Embassies in the partner countries to implement the exchanges.

Guidelines

The cooperative agreement will begin on or about September 1, 2011. The award period will be 18 to 24 months in duration, as appropriate for the applicant's program design. Planning and preparation will start in 2011, and the exchanges will take place primarily in calendar year 2012. Applicants should propose the period of the exchanges in their proposals, but the exact timing may be altered through the mutual agreement of the Department of State and the award recipient.

The award recipient will be responsible for the following:

Orientations: Provide pre-departure materials and information about the U.S. program to help the U.S. Embassies, participants, and their families in preparation for the exchange. Also, provide orientations for those participating from the host communities, including host families.

Logistics: Manage all logistical arrangements, including international and domestic travel, ground transportation, accommodations, group meals, and disbursement of pocket money.

Exchange Activities: Design and plan three weeks of exchange activities that provide a creative and substantive program that develops both the youth and the adult participants' knowledge and skill base in civic education, community service, and youth leadership development. The exchange will take place in no more than two or three locations so that the participants have time to familiarize themselves with a community. The exchange will focus primarily on interactive activities, practical experiences, and other hands-on opportunities that provide a substantive experience on the specified program themes. Some activities should be school and/or community-based, and the exchange will involve as much sustained interaction with American peers as possible (for both the youth and adult participants). Cultural, social, and recreational activities will balance the schedule. Applicants may choose to include a visit to Washington, DC.

Accommodations: Arrange home stays for the participants in the United States with properly screened and briefed American families for the majority of the exchange period. Criminal background checks must be conducted for members of host families (and others living in the home) who are

18 years of age or older. Please see the POGI for more details on host family screening and placement.

Monitoring: Develop and implement a plan to monitor the participants' safety and well-being while on the exchange and to create opportunities for participants to share potential issues and resolve them promptly. The award recipient will be required to provide proper staff supervision and facilitation to ensure that the teenagers have safe and pedagogically rich programs. Staff, along with the adult participants, will assist the youth with cultural adjustments, provide societal context to enhance learning, and counsel students as needed.

Follow-on Activities: Plan and implement activities in the participants' home countries, in coordination with the U.S. Embassies, particularly by facilitating continued engagement among the participants, advising and supporting them in the implementation of community service projects, and offering opportunities to reinforce the ideas, values and skills imparted during the exchange. Exchange participants should return home from the exchange prepared to conduct projects that serve a need in their schools or communities. To amplify program impact, proposals should present creative and effective ways to address the project themes, for both program participants and their peers.

Evaluation: Design and implement an evaluation plan that assesses the short- and medium-term impact of the project on the participants as well as on host and home communities.

Please note: In a cooperative agreement, the Department of State is substantially involved in program activities above and beyond routine grant monitoring. The Department's activities and responsibilities for the Youth Leadership Program are as follows:

- (1) Provide advice and assistance in the execution of all program components.
- (2) Manage the recruitment and selection of the participants, provide pre-departure briefings, and oversee follow-on activities.
- (3) Issue DS-2019 forms and J-1 visas. All foreign participants will travel on a U.S. Government designation for the J Exchange Visitor Program.
- (4) Facilitate interaction within the Department of State, to include ECA, the regional bureaus, and overseas posts.
- (5) Arrange meetings with Department of State officials in Washington, D.C. and the participating countries.
- (6) Approve publicity materials and final calendar of exchange activities.
- (7) Monitor and evaluate the program, through regular communication with the award recipient and possibly one or more site visits.

Additional Information

Award recipients will retain the name "Youth Leadership Program" to identify their project. All materials, publicity, and correspondence related to the program will acknowledge this as a program of the Bureau of Educational and Cultural Affairs of the U.S.

Department of State. The Bureau will retain copyright use of and be allowed to distribute materials related to this program as it sees fit.

The organization must inform the ECA Program Officer and participating U.S. Embassies of their progress at each stage of the project's implementation in a timely fashion, and will be required to obtain approval of any significant program changes in advance of their implementation.

Proposals must demonstrate how the stated objectives will be met. The proposal narrative should provide detailed information on the major project activities, and applicants should explain and justify their programmatic choices. Projects must comply with J-1 visa regulations for the International Visitor and Government Visitor category. Please be sure to refer to the complete Solicitation Package—this RFGP, the Project Objectives, Goals, and Implementation (POGI), and the Proposal Submission Instructions (PSI)—for further information.

II. Award Information

Type of Award: Cooperative Agreement. ECA's level of involvement in this program is listed under Section I above.

Fiscal Year Funds: FY-2011.

Approximate Total Funding: \$600,000.

Approximate Number of Awards: One.

Anticipated Award Date: September 1, 2011.

III. Eligibility Information

III.1. Eligible applicants: Applications may be submitted by public and private non-profit organizations meeting the provisions described in Internal Revenue Code section 26 U.S.C. 501(c)(3).

III.2. Cost Sharing or Matching Funds: There is no minimum or maximum percentage required for this competition. However, the Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

When cost sharing is offered, it is understood and agreed that the

applicant must provide the amount of cost sharing as stipulated in its proposal and later included in an approved agreement. Cost sharing may be in the form of allowable direct or indirect costs. For accountability, you must maintain written records to support all costs which are claimed as your contribution, as well as costs to be paid by the Federal government. Such records are subject to audit. The basis for determining the value of cash and in-kind contributions must be in accordance with OMB Circular A-110, (Revised), Subpart C.23—Cost Sharing and Matching. In the event you do not provide the minimum amount of cost sharing as stipulated in the approved budget, ECA's contribution will be reduced in like proportion.

III.3. Other Eligibility Requirements

ECA anticipates making an award in an amount exceeding \$60,000 to support program and administrative costs required to implement this exchange program. Therefore, organizations with less than four years experience in conducting international exchanges are ineligible to apply under this competition. The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

(b) Proposed sub-award recipients are also limited to grant funding of \$60,000 or less if they do not have four years of experience in conducting international exchanges.

(c) The Bureau encourages applicants to provide maximum levels of cost sharing and funding in support of its programs.

Universal Numbering System (DUNS) number. Recipients and sub-recipients must maintain accurate and up-to-date information in the CCR until all program and financial activity and reporting have been completed. All entities must review and update the information at least annually after the initial registration and more frequently if required information changes or another award is granted.

If your organization is a private nonprofit which has not received a grant or cooperative agreement from ECA in the past three years, or if your organization received nonprofit status from the IRS within the past four years, you must submit the necessary documentation to verify nonprofit status as directed in the PSI document. Failure to do so will cause your proposal to be declared technically ineligible.

IV.3d. Please take into consideration the following information when preparing your proposal narrative:

IV.3d.1. Adherence to All Regulations Governing the J Visa

The Office of Citizen Exchanges of the Bureau of Educational and Cultural

Affairs is the official program sponsor of the exchange program covered by this RFGP, and an employee of the Bureau will be the "Responsible Officer" for the program under the terms of 22 CFR part 62, which covers the administration of the Exchange Visitor Program (J visa program). Under the terms of 22 CFR part 62, organizations receiving awards (either a grant or cooperative agreement) under this RFGP will be third parties "cooperating with or assisting the sponsor in the conduct of the sponsor's program." The actions of recipient organizations shall be "imputed to the sponsor in evaluating the sponsor's compliance with" 22 CFR part 62. Therefore, the Bureau expects that any organization receiving an award under this competition will render all assistance necessary to enable the Bureau to fully comply with 22 CFR part 62 *et seq.*

The Bureau of Educational and Cultural Affairs places critically important emphases on the secure and proper administration of Exchange Visitor (J visa) Programs and adherence by recipient organizations and program participants to all regulations governing the J visa program status. Therefore, proposals should *explicitly state in writing* that the applicant is prepared to assist the Bureau in meeting all requirements governing the administration of Exchange Visitor Programs as set forth in 22 CFR part 62. If your organization has experience as a designated Exchange Visitor Program Sponsor, the applicant should discuss their record of compliance with 22 CFR part 62 *et seq.*, including the oversight of their Responsible Officers and Alternate Responsible Officers, screening and selection of program participants, provision of pre-arrival information and orientation to participants, monitoring of participants, proper maintenance and security of forms, recordkeeping, reporting and other requirements.

The Office of Citizen Exchanges of ECA will be responsible for issuing DS-2019 forms to participants in this program.

A copy of the complete regulations governing the administration of Exchange Visitor (J) programs is available at <http://exchanges.state.gov> or from:

Office of Designation, Private Sector Programs Division, U.S. Department of State, ECA/EC/D/PS, SA-5, 5th Floor, 2200 C Street, NW., Washington, DC 20037.

IV.3d.2. Diversity, Freedom and Democracy Guidelines

Pursuant to the Bureau's authorizing legislation, programs must maintain a non-political character and should be balanced and representative of the diversity of American political, social, and cultural life. "Diversity" should be interpreted in the broadest sense and encompass differences including, but not limited to ethnicity, race, gender, religion, geographic location, socio-economic status, and disabilities. Applicants are strongly encouraged to adhere to the advancement of this principle both in program administration and in program content. Please refer to the review criteria under the 'Support for Diversity' section for specific suggestions on incorporating diversity into your proposal. Public Law 104-319 provides that "in carrying out programs of educational and cultural exchange in countries whose people do not fully enjoy freedom and democracy," the Bureau "shall take appropriate steps to provide opportunities for participation in such programs to human rights and democracy leaders of such countries." Public Law 106-113 requires that the governments of the countries described above do not have inappropriate influence in the selection process. Proposals should reflect advancement of these goals in their program contents, to the full extent deemed feasible.

IV.3d.3. Program Monitoring and Evaluation

Proposals must include a plan to monitor and evaluate the project's success, both as the activities unfold and at the end of the program. The Bureau recommends that your proposal include a draft survey questionnaire or other technique plus a description of a methodology to use to link outcomes to original project objectives. The Bureau expects that the recipient organization will track participants or partners and be able to respond to key evaluation questions, including satisfaction with the program, learning as a result of the program, changes in behavior as a result of the program, and effects of the program on institutions (institutions in which participants work or partner institutions). The evaluation plan should include indicators that measure gains in mutual understanding as well as substantive knowledge.

Successful monitoring and evaluation depend heavily on setting clear goals and outcomes at the outset of a program. Your evaluation plan should include a description of your project's objectives, your anticipated project outcomes, and

how and when you intend to measure these outcomes (performance indicators). The more that outcomes are “smart” (specific, measurable, attainable, results-oriented, and placed in a reasonable time frame), the easier it will be to conduct the evaluation. You should also show how your project objectives link to the goals of the program described in this RFGP.

Your monitoring and evaluation plan should clearly distinguish between program *outputs* and *outcomes*. *Outputs* are products and services delivered, often stated as an amount. Output information is important to show the scope or size of project activities, but it cannot substitute for information about progress towards outcomes or the results achieved. Examples of outputs include the number of people trained or the number of seminars conducted. *Outcomes*, in contrast, represent specific results a project is intended to achieve and is usually measured as an extent of change. Findings on outputs and outcomes should both be reported, but the focus should be on outcomes.

We encourage you to assess the following four levels of outcomes, as they relate to the program goals set out in the RFGP (listed here in increasing order of importance):

1. Participant satisfaction with the program and exchange experience.

2. Participant learning, such as increased knowledge, aptitude, skills, and changed understanding and attitude. Learning includes both substantive (subject-specific) learning and mutual understanding.

3. Participant behavior, concrete actions to apply knowledge in work or community; greater participation and responsibility in civic organizations; interpretation and explanation of experiences and new knowledge gained; continued contacts between participants, community members, and others.

4. Institutional changes, such as increased collaboration and partnerships, policy reforms, new programming, and organizational improvements.

Please note: Consideration should be given to the appropriate timing of data collection for each level of outcome. For example, satisfaction is usually captured as a short-term outcome, whereas behavior and institutional changes are normally considered longer-term outcomes.

Overall, the quality of your monitoring and evaluation plan will be judged on how well it (1) specifies intended outcomes; (2) gives clear descriptions of how each outcome will be measured; (3) identifies when particular outcomes will be measured;

and (4) provides a clear description of the data collection strategies for each outcome (*i.e.*, surveys, interviews, or focus groups). (Please note that evaluation plans that deal only with the first level of outcomes [satisfaction] will be deemed less competitive under the present evaluation criteria.)

Recipient organizations will be required to provide reports analyzing their evaluation findings to the Bureau in their regular program reports. All data collected, including survey responses and contact information, must be maintained for a minimum of three years and provided to the Bureau upon request.

IV.3e. Please take the following information into consideration when preparing your budget:

IV.3e.1. Applicants must submit SF-424A—“Budget Information—Non-Construction Programs” along with a comprehensive budget for the entire program. There must be a summary budget as well as breakdowns reflecting both administrative and program budgets. Applicants may provide separate sub-budgets for each program component, phase, location, or activity to provide clarification. Please refer to the Solicitation Package (POGI and PSI) for complete budget guidelines and formatting instructions.

IV.3f. Application Deadline and Methods of Submission
