**SECURITIES AND EXCHANGE
COMMISSION**[Release No. 34-64376; File No. SR-BATS-
2011-013]**Self-Regulatory Organizations; BATS
Exchange, Inc.; Notice of Filing and
Immediate Effectiveness of a Proposed
Rule Change To Extend the Trading
Hours of BATS Options for Certain
Products**

May 2, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that, on April 26, 2011, BATS Exchange, Inc. (the "Exchange" or "BATS") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's
Statement of the Terms of Substance of
the Proposed Rule Change**

The Exchange is filing with the Commission a proposal to amend the Rules applicable to the BATS options market ("BATS Options") in order to allow certain products to trade on BATS Options until 4:15 p.m. Eastern Time.

The text of the proposed rule change is available at the Exchange's Web site at <http://www.batstrading.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

**II. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

**A. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change****1. Purpose**

BATS Options currently allows trading in options contracts from 9:30 a.m. to 4 p.m. Eastern Time. The purpose of the proposed rule change is to amend BATS Rules in order to allow trading on BATS Options to 4:15 p.m. Eastern Time for specified products. Specifically, the Exchange proposes to amend Rules 21.2 and 29.10 to extend to 4:15 p.m. Eastern Time the trading hours for option contracts on Fund Shares, as defined in Rule 19.3(i), option contracts on exchange-traded notes including Index-Linked Securities, as defined in Rule 19.3(l), and option contracts on broad-based indexes, as defined in Rule 29.1(j). The Exchange's rules already permit listing of options on Fund Shares,³ Index-Linked Securities,⁴ and broad-based indices.⁵ However, the Exchange's rules currently require trading in all products to end at 4 p.m. Eastern Time, whereas other options exchanges permit trading to occur until 4:15 p.m. Eastern Time for the three product types specified in this filing.⁶

In addition to the proposed amendments to Rules 21.2(a) and 29.10(a), for the avoidance of doubt, the Exchange proposes to amend its Rule 21.2(b), which states that the hours during which transactions in options on individual stocks shall correspond to the normal business days and hours for business set forth in the rules of the primary market trading the securities underlying such options. As proposed, Rule 21.2(b) will make clear that the products specified in Rule 21.2(a) will be available for trading until 4:15 p.m. Eastern Time, notwithstanding any other language in the Rule.

The Exchange believes the proposed changes are necessary in order to ensure consistency in the trading of such products on BATS Options and other options exchanges.

2. Statutory Basis

The Exchange believes that its proposal is consistent with the requirements of the Act and the rules

³ See BATS Rule 19.3(i), which sets forth the listing criteria for Fund Shares.

⁴ See BATS Rule 19.3(l), which sets forth the listing criteria for Index-Linked Securities.

⁵ Chapter XXIX governs the listing and trading of options on an index. In particular, Rule 29.3 sets forth the listing requirements for options on broad-based indices.

⁶ See e.g., Nasdaq Options Market ("NOM") Chapter VI, Sec. 2 and NOM Chapter XIV, Sec. 10; see also ISE Rule 700(b)-(d).

² 17 CFR 240.19b-4.

and regulations thereunder that are applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b) of the Act.⁷ In particular, the proposal is consistent with Section 6(b)(5) of the Act,⁸ because it would promote just and equitable principles of trade, remove impediments to, and perfect the mechanism of, a free and open market and a national market system, and, in general, protect investors and the public interest. In particular, the proposed rule change will allow the Exchange to provide a competitive marketplace for Exchange Users to trade options on Fund Shares, Index-Linked Securities and broad-based indices until 4:15 p.m. Eastern Time.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change imposes any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) by its terms, does not become operative for 30 days after the date of filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰

A proposed rule change filed under Rule 19b-4(f)(6) normally does not become operative for 30 days after the date of filing.¹¹ However, Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action

is consistent with the protection of investors and the public interest. The Exchange requested that the Commission waive the 30-day operative delay, as specified in Rule 19b-4(f)(6)(iii),¹² which would make the rule change effective and operative upon filing.

The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because the proposed rule change does not raise any novel regulatory issues. The proposal is designed to align the Exchange's trading hours for options contracts on Fund Shares, exchange-traded notes including Index Linked Securities, and broad-based indexes to correspond with the trading hours for these products on certain other exchanges.¹³ Accordingly, the Commission designates the proposed rule change as operative upon filing with the Commission.¹⁴

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.¹⁵

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
