Submission for OMB Review; Comment Request

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.
Title: State and Local Government Finance Forms.

OMB Control Number: 0607-0585.
Form Number(s): F-5, F-11, F-12, F-12(S), F-13, F-25, F-28, F-29, F-32, F-42.

Type of Request: Revision of a currently approved collection.

Burden Hours: 74,358.

Number of Respondents: 31,409.

Average Hours per Response: 2 hours and 22 minutes average across all forms.

Needs and Uses: This survey provides government finance data for state and local governments. It is the only known comprehensive source of state and local government finance data collected on a nationwide scale using uniform definitions, concepts, and procedures. This survey is conducted annually, as a national census every five years, and as a sample survey in each of the four intervening years. The Census Bureau provides these data to the Federal Reserve Board for constructing the Nation's Flow of Funds Accounts and the Bureau of Economic Analysis for the National Income and Product Accounts. The data are also used to monitor the government sector of the economy and to formulate, develop, and review public policy. Federal agencies, state and local governments, and the private sector all use these data. The respondents to this survey are state and local government officials.

Our planned form changes for FY2011 include adding additional tax collection line items on the F-5 form and collecting one additional market value item on the F-11, F-12, and F-12(S) forms. The expected burden hour estimate will remain unchanged for these forms. In addition, for the 2012 retirement F-11, F-12, and F-12(S) forms, we plan to add additional collection detail for membership and benefits for defined benefit plans, receipts/payments for defined benefit plans, holdings and investment for defined benefit plans, and actuarial information for defined benefit plans (F-12 only). The burden hour estimate will increase from 2.0 to 2.5 hours for each of the respective forms.

Affected Public: State, local or tribal government.

Frequency: Annually.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13 U.S.C.,

Sections 161 and 182.

OMB Desk Officer: Brian Harris-Kojetin, (202) 395-7314.

Copies of the above information collection proposal can be obtained by calling or writing Diana Hynek, Departmental Paperwork Clearance Officer, (202) 482-0266, Department of Commerce, Room 6616, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dhynek@doc.gov).

Written comments and recommendations for the proposed information collection should be sent

within 30 days of publication of this notice to Brian Harris-Kojetin, OMB Desk Officer either by fax (202-395-7245) or e-mail (bharrisk@omb.eop.gov).

Dated: May 5, 2011.

Glenna Mickelson,

Management Analyst, Office of the Chief Information Officer.

Polyethylene Terephthalate Film, Sheet, and Strip From the Republic of Korea: Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request for an expedited changed circumstances review from Toray Advanced Materials Korea, Inc. (TAMK), the Department of Commerce (the Department) is initiating a changed circumstances review of the antidumping duty order on polyethylene terephthalate film, sheet and strip (PET film) from the Republic of Korea (Korea) pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.216 and 351.221(c)(3). We have preliminarily concluded TAMK is the successor-in-interest to Toray Saehan, Inc. (Toray Saehan) and, as a result, should be accorded the same treatment previously given to Toray Saehan with respect to the antidumping duty order on PET film from Korea. Interested parties are invited to comment on these preliminary results.

DATES: *Effective Date:* May 10, 2011.

FOR FURTHER INFORMATION CONTACT:

Tyler Weinhold or Robert James, AD/CVD Operations Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Room 7866, Washington, DC 20230; *telephone:* (202) 482-1121 or (202) 482-0649, respectively.

Background

On June 5, 1991, the Department published the antidumping duty order and amended final determination of sales at less than fair value (LTFV) on PET film from Korea. See *Antidumping Duty Order and Amendment to Final Determination of Sales at Less Than Fair Value: Polyethylene Terephthalate*

Film, Sheet, and Strip From the Republic of Korea, 56 FR 25669 (June 5, 1991). On September 26, 1997, the Department published the notice of final court decision and amended final determination on PET film from Korea. See *Polyethylene Terephthalate Film, Sheet, and Strip From the Republic of Korea; Notice of Final Court Decision and Amended Final Determination of Antidumping Duty Investigation*, 62 FR 50557 (September 26, 1997) (*Antidumping Duty Investigation Amended Final*). Based on the Department's redetermination on remand in *Antidumping Duty Investigation Amended Final*, Cheil Synthetics, Inc. (Cheil) was found to have been dumping at a margin of 36.33 percent.

On July 5, 1996, the Department revoked the antidumping duty order on PET film from Korea with respect to Cheil because Cheil had not sold the subject merchandise at LTFV for at least three consecutive periods of review. See *Polyethylene Terephthalate Film Sheet and Strip from the Republic of Korea; Final Results of Antidumping Duty Administrative Reviews and Notice of Revocation in Part*, 61 FR 35177 (July 5, 1996). Subsequently, prior to the first sunset review, the Department published the final results of a changed circumstances review in which it found that Saehan Industries, Inc., (Saehan) was the successor-in-interest to Cheil. See *Polyethylene Terephthalate Film, Sheet and Strip From the Republic of Korea; Final Results of Changed Circumstances Antidumping Duty Administrative Review*, 63 FR 3703 (January 26, 1998).

The Department conducted another changed circumstances review in May 2000 in which it determined that Toray Saehan was the successor-in-interest to Saehan (which, as explained above, was the successor-in-interest to Cheil). See *Polyethylene Terephthalate Film, Sheet and Strip From the Republic of Korea, Final Results of Changed Circumstances Antidumping Duty Administrative Review*, 65 FR 34661 (May 31, 2000) (*2000 Changed Circumstances Review*).

On December 21, 2010, TAMK filed a request for a changed circumstances review of the antidumping duty order on PET film from Korea. TAMK claims it is the successor-in-interest to Toray Saehan in accordance with section 751(b) of the Act and 19 CFR 351.216, and provided documentation supporting its assertion.

On February 4, 2011, the Department issued a questionnaire to TAMK seeking additional information related to its request for a changed circumstances review. On March 1, 2011, TAMK filed

its response to the questionnaire. In response to TAMK's request, the Department is initiating a changed circumstances review of this order.

Scope of the Order

Imports covered by the order are shipments of all gauges of raw, pretreated, or primed polyethylene terephthalate film, sheet, and strip, whether extruded or coextruded. The films excluded from this review are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer more than 0.00001 inches (0.254 micrometers) thick.

Polyethylene terephthalate film, sheet, and strip is currently classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheading 3920.62.00. The HTSUS subheading is provided for convenience and for customs purposes. The written description remains dispositive as to the scope of the product coverage.

Initiation of Antidumping Duty Changed Circumstances Review

Pursuant to section 751(b)(1) of the Act, the Department will conduct a changed circumstances review upon receipt of a request from an interested party or receipt of information concerning an antidumping duty order which shows changed circumstances sufficient to warrant a review of the order. On December 21, 2010, TAMK submitted its request for a changed circumstances review claiming that it is the successor-in-interest to Toray Saehan. In its submission, TAMK explains that on May 3, 2010, it changed its name from Toray Saehan to TAMK. See TAMK's submission, dated December 21, 2010 at 2 and Exhibits 1 and 2.

No other interested parties commented on TAMK's submission. Based on the information submitted by TAMK on December 21, 2010, and on March 1, 2011, the Department has determined that changed circumstances sufficient to warrant a review exist. See 19 CFR 351.216(d). The Department also finds that expedited action is warranted in accordance with 19 CFR 351.221(c)(3)(ii), and therefore we are concurrently publishing this notice of initiation and preliminary results for this changed circumstances review. See *Ball Bearings and Parts Thereof from Japan: Initiation and Preliminary Results of Changed-Circumstances Review*, 71 FR 14679 (March 23, 2006).
