

6. Applicants also state that, if they were barred from providing Fund Service Activities to registered investment companies and ESCs, the effect on their businesses and employees would be severe. Applicants state that they have committed substantial resources to establish an expertise in providing Fund Service Activities. Applicants further state that prohibiting them from providing Fund Service Activities would not only adversely affect their businesses, but would also adversely affect approximately 550 employees that are involved in those activities. Applicants also state that disqualifying UBS AG and ESC GP from continuing to provide investment advisory services to ESCs is not in the public interest or in furtherance of the protection of investors. Because the ESCs have been formed for the benefit of key employees, officers, directors and current consultants of UBS AG and its affiliates, it would not be consistent with the purposes of the ESC provisions of the Act to require another entity not affiliated with UBS AG to manage the ESCs. In addition, participants in the ESCs have subscribed for interests in the ESCs with the expectation that the ESCs would be managed by an affiliate of UBS AG.

7. Applicants state that Applicants and certain other affiliated persons of UBSFS have previously received orders under section 9(c) of the Act, as the result of conduct that triggered section 9(a), as described in greater detail in the application.

Applicants' Condition

Applicants agree that any order granting the requested relief will be subject to the following condition:

Any temporary exemption granted pursuant to the application shall be without prejudice to, and shall not limit the Commission's rights in any manner with respect to, any Commission investigation of, or administrative proceedings involving or against, Covered Persons, including without limitation, the consideration by the Commission of a permanent exemption from section 9(a) of the Act requested pursuant to the application or the revocation or removal of any temporary exemptions granted under the Act in connection with the application.

Temporary Order

The Commission has considered the matter and finds that the Applicants have made the necessary showing to justify granting a temporary exemption. Accordingly,

It is hereby ordered, pursuant to section 9(c) of the Act, that Applicants and any other Covered Persons are granted a temporary exemption from the provisions of section 9(a), solely with respect to the Injunction, subject to the condition in the application, from May 6, 2011, until the Commission takes final action on their application for a permanent order.

By the Commission.
Elizabeth M. Murphy,
Secretary.
