Title: Request for Entry or Departure for Flights To and From Cuba.

OMB Number: 1651-0134.

Form Number: None.

Abstract: Until recently, direct flights between the United States and Cuba were required to arrive or depart from one of three named U.S. airports: John F. Kennedy International Airport, Los Angeles International Airport, and Miami International Airport. On January 28, 2011, Customs and Border Protection's (CBP) regulations were amended to allow additional U.S. airports that are able to process international flights to request approval by CBP to process authorized flights between the United States and Cuba.

To be eligible to request approval to accept flights to and from Cuba, an airport must be an international airport,

landing rights airport, or user fee airport, as defined and described in part 122 of the CBP regulations, and have adequate and up-to-date staffing, equipment, and facilities to process international traffic. In order for an airport to seek approval to allow arriving and departing flights from Cuba, the port authority must send a written request to CBP requesting permission. Information about the program and how to apply may be found at: http://www.cbp.gov/xp/cgov/newsroom/highlights/cuba_flights.xml.

This information collection is authorized by 19 U.S.C. 1433, 1644a, 8 U.S.C. 1103, and provided for by 19 CFR 122.153.
