I. Authority and Background

In a separate document published elsewhere in today’s Federal Register, the Commission is announcing adoption of new Regulation 4.12(c), which makes available an exemption from the requirement to register as a CPO for certain independent directors and trustees of Commodity ETFs. Relief under each of the new regulations must be claimed by the filing of specified notices and in the case of Regulation 4.13(a)(5), certain additional statements. These filings are similar to filings currently made with NFA by CPOs seeking to claim relief under other provisions of Regulation 4.13. Section 8a(10) of the Commodity Exchange Act defines the term “Commission.” Section 17(o)(1) of the Act provides that the Commission may authorize NFA to perfect the exemption, Regulation 4.12(c) makes available an exemption from certain disclosure, reporting and recordkeeping requirements for CPOs, and exemption from CPO registration for certain persons. This action is consistent with other action the Commission has taken with respect to delegating to NFA various responsibilities under Part 4 of the Commission’s regulations.

A. Exemption From Certain Part 4 Requirements for CPOs of Commodity ETFs

Regulation 4.12(c) makes available an exemption from certain disclosure, reporting and recordkeeping requirements for registered CPOs of Commodity ETFs. To perfect the exemption, Regulation 4.12(d) requires eligible CPOs to file a notice of claim for exemption with NFA. By this Order, NFA is authorized to process claims for exemption filed by CPOs who meet the requirements set forth in Regulation 4.12(c).

B. Exemption From Registration as a CPO for Independent Directors or Trustees

Regulation 4.13(a)(5) makes available an exemption from CPO registration where a person is a director or trustee of a commodity pool solely to comply with the requirements under section 10A of the Securities Exchange Act of 1934, as amended, and any Securities and Exchange Commission rules and exchange listing requirements adopted pursuant thereto, that the pool have an audit committee comprised exclusively of independent directors or trustees. To perfect the exemption, Regulation 4.13(b) requires eligible persons to file a notice of exemption with NFA. By this Order, NFA is authorized to process claims for exemption filed by persons who meet the requirements set forth in Regulation 4.13(a)(5).

C. Recordkeeping Requirements

By prior orders, the Commission has authorized NFA to maintain various other Commission registration records and has certified NFA as the official custodian of such records for this agency. The Commission has now determined, in accordance with its authority under Section 8a(10) of the Act, to authorize NFA to maintain and serve as the official custodian of records for the claims required for the exemptions provided by Regulations 4.12(c) and 4.13(a)(5). In maintaining the Commission’s records pursuant to this Order, NFA shall be subject to all other requirements.

8 See, e.g., 62 FR 52088 (Oct. 6, 1997), whereby the Commission delegated to NFA the authority to process various filings made under Part 4.
9 See, e.g., 75 FR 55310 (Sep. 10, 2010); 70 FR 2621 (Jan. 14, 2005); and 68 FR 12664 (Mar. 17, 2003).
and obligations imposed upon it by the Commission in existing or future Orders or regulations. In this regard, NFA shall also implement such additional procedures (or modify existing procedures) as are acceptable to the Commission and as are necessary: to ensure the security and integrity of the records in NFA’s custody; to facilitate prompt access to those records by the Commission and its staff, particularly as described in other Commission Orders or regulations; to facilitate disclosure of public or nonpublic information in those records when permitted by Commission Orders or regulations and to keep logs as required by the Commission concerning disclosure of nonpublic information; and otherwise to safeguard the confidentiality of the records consistent with Section 8 of the Act and the Commission’s regulations issued thereunder.

II. Conclusion and Order

The Commission has determined, in accordance with the provisions of Sections 8a(10) and 17(o)(1) of the Act, to authorize NFA to perform the following functions:

(1) To process notices of claim under Regulation 4.12(c) for exemption from compliance with certain Part 4 requirements, filed under Regulation 4.12(d) by the registered CPOs of Commodity ETFs;

(2) To process notices of exemption pursuant to Regulation 4.13(a)(5) from registration as a CPO, filed under Regulation 4.13(b) by independent directors or trustees of Commodity ETFs; and

(3) To maintain and to serve as the official custodian of records for the notices required by the regulations listed above.

NFA shall perform these functions in accordance with the standards established by the Act and Commission Orders and regulations promulgated thereunder, particularly Part 4 of the regulations and Commission Orders issued thereunder, and shall provide the Commission with such summaries and periodic reports as the Commission may determine are necessary for effective oversight of the functions delegated hereby.

These determinations are based upon the Congressional intent expressed in Sections 8a(10) and 17(o) of the Act that the Commission have the authority to delegate to NFA any portion of the Commission’s registration responsibilities under the Act for purposes of carrying out these responsibilities in the most efficient and cost-effective manner.10

This Order does not, however, authorize NFA to render “no-action” positions, exemptions or interpretations with respect to applicable CPO disclosure, reporting, recordkeeping and registration requirements.

Nothing in this Order or in Section 8a(10) or 17(o) of the Act shall affect the Commission’s authority to review NFA’s performance of Commission functions listed in items (1) through (3) of Section II of this Order.

NFA is authorized to perform all functions specified herein until such time as the Commission orders otherwise. Nothing in this Order shall prevent the Commission from exercising the authority delegated herein. NFA may submit to the Commission for decision any specific matters that have been delegated to it, and Commission staff will be available to discuss with NFA staff issues relating to the implementation of this Order. Nothing in this Order affects the applicability of any previous Orders issued by the Commission concerning Part 4.

III. Cost-Benefit Analysis

Section 15(a) of the Act requires the Commission to consider the costs and benefits of its actions before promulgating regulations under the Act or issuing certain orders. By its terms, section 15(a) does not require the Commission to quantify the costs and benefits of the regulation or order. Rather, it requires that the Commission “consider” the costs and benefits of its actions. Section 15(a) further specifies that the costs and benefits shall be evaluated in light of five broad areas of market and public concern: (1) Protection of market participants and the public; (2) efficiency, competitiveness and financial integrity of futures markets; (3) price discovery; (4) sound risk management practices; and (5) other public interest considerations. The Commission may in its discretion give greater weight to any one of the five enumerated areas and could in its discretion determine that, notwithstanding its costs, a particular rule is necessary or appropriate to protect the public interest or to effectuate any of the provisions or accomplish any of the purposes of the Act.

Summary of proposed requirements.

The Order would delegate to NFA the responsibility to process notices submitted by persons seeking to claim exemption under new provisions of Regulations 4.12 and 4.13, and to maintain and serve as the official custodian of those notices.

Costs. With respect to costs, there will be no costs to members of the public or persons subject to Commission regulation. Any costs to NFA will be insignificant, inasmuch as NFA is already responsible for performing the same processing functions with respect to existing provisions of the same regulations, and it has procedures in place to readily accommodate the notices to be submitted with respect to Regulations 4.12(c) and 4.13(a)(5).

Benefits. With respect to benefits, the Commission has determined that persons claiming exemption under new Regulations 4.12(c) and 4.13(a)(5) will be able to use the same procedure that is currently used for the other exemptive provisions of Part 4, and the Commission will not be required to devote any resources to performing functions that NFA is already performing.

Issued in Washington, DC, on May 5, 2011 by the Commission.

David A. Stawick,
Secretary of the Commission.
