ACTION: Notice of Availability, Amendment, and Technical Corrections to the Notice of Funding Availability (NOFA) for HUD's Fiscal Year (FY) 2011 Asthma Interventions in Public and

Assisted Multifamily Housing Program, FR-5500-N-06.

SUMMARY: On April 8, 2011, HUD posted the Notice of Funding Availability (NOFA) for the Fiscal Year (FY) 2011 Asthma Interventions in Public and Assisted Multifamily Housing Program to Grants.gov (FR-5500-N-06). The NOFA announced the availability of information on applicant eligibility, submission deadlines, funding criteria, and other requirements for HUD's FY 2011 Asthma Interventions in Public and Assisted Multifamily Housing Program. The posted NOFA indicated the total amount of funding available was subject to enactment of HUD appropriations.

On May 12, 2011, HUD posted an amendment to the NOFA which provided the funding available as a result of enactment of the HUD appropriations Act, the Department of Defense and Full-Year Continuing Appropriations Act, 2011, Public Law 112-10, approved April 15, 2011, and other technical corrections. Based on the enactment of the FY 2011 HUD appropriations, approximately \$2 million is available for the Asthma Interventions in Public and Assisted Multifamily Housing Program.

The notice also amended the deadline date for applications as a result of the technical corrections. The new deadline date for this NOFA is 11:59:59 p.m. June 14, 2011.

The purpose of the Asthma Interventions in Public and Assisted Multifamily Housing program is to fund demonstration projects to improve asthma control among children and others currently residing in Federally assisted multifamily housing developments that are administered by local public housing authorities (*i.e.*, public housing) as well as privately owned multifamily housing that is subsidized by HUD (*e.g.*, Project-based Section 8, section 202, and section 811 housing).
