Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 12291, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies.

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination, under figure 2–1, paragraph 34(h), of the Instruction, that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this determination is available in the docket where indicated under ADDRESSES. This proposed rule involves implementation of regulations within 33 CFR Part 100 that apply to organized marine events on the navigable waters of the United States that may have potential for negative impact on the safety or other interest of waterway users and shore side activities in the event area. This special local regulation is necessary to provide for the safety of the general public and event participants from potential hazards associated with movement of vessels near the event area. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Add a temporary § 100.35–T05–0277 to read as follows:

§ 100.35–T05–0277 Lake Gaston, Enterprise, NC.

(a) Regulated area. The following location is a regulated area: All waters of Lake Gaston directly under the Eaton Ferry Bridge, latitude 36°31′06″ North, longitude 77°57′37″ West, and within 100 yards of the eastern side of the bridge at Enterprise, North Carolina. All coordinates reference Datum NAD 1983.

(b) Definitions: (1) Coast Guard Patrol Commander means a commissioned, warrant, or petty officer of the U.S. Coast Guard who has been designated by the Commander, Coast Guard Sector North Carolina.

(2) Official Patrol means any vessel assigned or approved by Commander, Coast Guard Sector North Carolina with a commissioned, warrant, or petty officer on board and displaying a Coast Guard ensign.

(3) Participant means all vessels participating in the “The Crossing” swim event under the auspices of the Marine Event Permit issued to the event sponsor and approved by Commander, Coast Guard Sector North Carolina.

(4) Spectator means all persons and vessels not registered with the event sponsor as participants or official patrol.

(c) Special local regulations: (1) The Coast Guard Patrol Commander may forbid and control the movement of all vessels in the vicinity of the regulated area. When hailed or signaled by an official patrol vessel, a vessel approaching the regulated area shall immediately comply with the directions given. Failure to do so may result in termination of voyage and citation for failure to comply.

(2) The Coast Guard Patrol Commander may terminate the event, or the operation of any support vessel participating in the event, at any time if it is deemed necessary for the protection of life or property. The Coast Guard may be assisted in the patrol and enforcement of the regulated area by other Federal, State, and local agencies.

(3) Vessel traffic, not involved with the event, may be allowed to transit the regulated area with the permission of the Patrol Commander. Vessels that desire passage through the regulated area shall contact the Coast Guard Patrol Commander on VHF–FM marine band radio for direction. Only participants and official patrol vessels are allowed to enter the regulated area.

(4) All Coast Guard vessels enforcing the regulated area can be contacted on marine band radio VHF–FM channel 16 (156.8 MHz) and channel 22 (157.1 MHz). The Coast Guard will issue marine information broadcast on VHF–FM marine band radio announcing specific event date and times.

(d) Enforcement period: This section will be enforced from 8:30 a.m. to 12 p.m. on August 13, 2011.

Dated: April 18, 2011.

A. Popiel,
Captain, U.S. Coast Guard, Captain of the Port North Carolina.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

Docket No. USCG–2011–0264

RIN 1625–AA00

Safety Zones; Annual Events Requiring Safety Zones in the Captain of the Port Lake Michigan Zone

AGENCY: Coast Guard, DHS.

ACTION: Notice of proposed rulemaking.
SUMMARY: The Coast Guard proposes to amend 33 CFR Part 165.929 Safety Zones; Annual Events requiring safety zones in the Captain of the Port Lake Michigan zone. This proposed rule is intended to amend, establish, or delete the rules that restrict vessels from portions of water areas during events that pose a hazard to public safety. The safety zones amended or established by this proposed rule are necessary to protect spectators, participants, and vessels from the hazards associated with various maritime events.

DATES: Comments and related materials must be received by the Coast Guard on or before June 23, 2011.

ADDRESSES: You may submit comments identified by docket number USCG–2011–0264 using any one of the following methods:

4. Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202–366–9329.

To avoid duplication, please use only one of these four methods. See the “Public Participation and Request for Comments” portion of the SUPPLEMENTARY INFORMATION section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this proposed rule, call or e-mail BM1 Adam Kraft, Prevention Department, Coast Guard, Sector Lake Michigan, Milwaukee, WI, telephone (414) 747–7154, e-mail Adam.D.Kraft@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202–366–9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to participate in this rulemaking by submitting comments and related materials. All comments received will be posted, without change, to http://www.regulations.gov and will include any personal information you have provided.

Submitting Comments

If you submit a comment, please include the docket number for this rulemaking (USCG–2011–0264), indicate the specific section of this document to which each comment applies, and provide a reason for each suggestion or recommendation. You may submit your comments and material online (via http://www.regulations.gov) or by fax, mail, or hand delivery, but please use only one of these means. If you submit a comment online via http://www.regulations.gov, it will be considered received by the Coast Guard when you successfully transmit the comment. If you fax, hand deliver, or mail your comment, it will be considered as having been received by the Coast Guard when it is received at the Docket Management Facility. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to http://www.regulations.gov, click on the “submit a comment” box, which will then become highlighted in blue. In the “Document Type” drop down menu select “Proposed Rule” and insert “USCG–2011–0264” in the “Keyword” box. Click “Search” then click on the balloon shape in the “Actions” column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit comments by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period and may change the rule based on your comments.

Viewing Comments and Documents

To view comments, as well as documents mentioned in this preamble as being available in the docket, go to http://www.regulations.gov, click on the “read comments” box, which will then become highlighted in blue. In the “Keyword” box insert “USCG–2011–0264” and click “Search.” Click the “Open Docket Folder” in the “Actions” column. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue, SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. We have an agreement with the Department of Transportation to use the Docket Management Facility.

Privacy Act

Anyone can search the electronic form of comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review a Privacy Act notice regarding our public dockets in the January 17, 2008, issue of the Federal Register (73 FR 3316).

Public Meeting

We do not now plan to hold a public meeting. But you may submit a request for one using one of the four methods specified under ADDRESSES. Please explain why you believe a public meeting would be beneficial. If we determine that one would aid this rulemaking, we will hold one at a time and place announced by a later notice in the Federal Register.

Background and Purpose

Currently, 33 CFR 165.929 lists eighty-three different locations in the Captain of the Port Lake Michigan zone at which safety zones have been permanently established. Each of these eighty-three safety zones correspond to an annually recurring marine event. On April 1, 2011, the Coast Guard refined the internal boundaries of its Ninth District, resulting in changes to the Captain of the Port Lake Michigan zone. Consequently, eleven of the aforementioned eighty-three safety zones are now located within Captain of the Port Sault Ste. Marie zone. In addition to the boundary change initiated by the Coast Guard, the details of four of the annually recurring events have changed. Finally, the Captain of the Port, Sector Lake Michigan has determined that three additional recurring marine events require the implementation of permanent safety zones.

Discussion of Proposed Rule

This proposed rule will amend the regulations found in 33 CFR 165.929, Annual Events requiring safety zones in the Captain of the Port Lake Michigan zone. Specifically, this proposed rule will revise § 165.929 in its entirety. The revision will include the deletion of eleven of the safety zones; the modification of the name, location, and enforcement periods of four other safety zones; and the addition of three new safety zones. These safety zones are necessary to protect vessels and people from the hazards associated with
firework displays, boat races, and other marine events. Such hazards include obstructions to the navigable channels, explosive dangers associated with fireworks, debris falling into the water, high speed boat racing, and general congestion of waterways. Although this proposed rule will remain in effect year round, the safety zones within it will be enforced only immediately before, during, and after each corresponding marine event.

The Captain of the Port, Sector Lake Michigan, will notify the public when the safety zones in this proposal will be enforced. In keeping with 33 CFR 165.7(a), the Captain of the Port, Sector Lake Michigan, will use all appropriate means to notify the affected segments of the public. This will include, as practicable, publication in the Federal Register, Broadcast Notice to Mariners and/or Local Notice to Mariners. The Captain of the Port, Sector Lake Michigan, will, as practicable, issue a Broadcast Notice to Mariners notifying the public when any enforcement period is canceled.

Entry into, transiting, or anchoring within each of the proposed safety zones is prohibited unless authorized by the Captain of the Port, Sector Lake Michigan, or his or her designated representative. All persons and vessels permitted to enter one of the safety zones established by this proposed rule shall comply with the instructions of the Captain of the Port, Sector Lake Michigan, or his or her designated representative. The Captain of the Port, Sector Lake Michigan, or his or her designated representative may be contacted via VHF Channel 16.

Regulatory Analyses

We developed this proposed rule after considering numerous statutes and executive orders related to rulemaking. Below we summarize our analyses based on 13 of these statutes or executive orders.

Regulatory Planning and Review

This proposed rule is not a significant regulatory action under section 3(f) of Executive Order 12866, Regulatory Planning and Review, and does not require an assessment of potential costs and benefits under section 6(a)(3) of that Order. The Office of Management and Budget has not reviewed it under that Order. It is not “significant” under the regulatory policies and procedures of the Department of Homeland Security (DHS). We conclude that this proposed rule is not a significant regulatory action because we anticipate that it will have minimal impact on the economy, will not interfere with other agencies, will not adversely alter the budget of any grant or loan recipients, and will not raise any novel legal or policy issues. The safety zones created by this proposed rule will be relatively small and enforced for a relatively short time. Also, each safety zone is designed to minimize its impact on navigable waters. Furthermore, each safety zone has been designed to allow vessels to transit unrestricted to portions of the waterways not affected by the safety zones. Thus, restrictions on vessel movements within that particular area are expected to be minimal. Under certain conditions, moreover, vessels may still transit through each safety zone when permitted by the Captain of the Port, Sector Lake Michigan. On the whole, the Coast Guard expects insignificant adverse impact to mariners from the activation of these safety zones.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601–612), we have considered whether this proposed rule would have a significant economic impact on a substantial number of small entities. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this proposed rule would not have a significant economic impact on a substantial number of small entities. This proposed rule would affect the following entities, some of which might be small entities: The owners and operators of vessels intending to transit or anchor in one of the below established safety zones while the safety zone is being enforced. These safety zones will not have a significant economic impact on a substantial number of small entities for the following reasons: Each safety zone in this proposed rule will be in effect for only a few hours within any given 24 hour period. Each of the safety zones will be in effect only once per year. Furthermore, these safety zones have been designed to allow traffic to pass safely around each zone. Moreover, vessels will be allowed to pass through each zone at the discretion of the Captain of the Port, Sector Lake Michigan, or his or her designated representative.

If you think that your business, organization, or governmental jurisdiction qualifies as a small entity and that this proposed rule would have a significant economic impact on it, please submit a comment (see ADDRESSES) explaining why you think it qualifies and how and to what degree this rule would economically affect it.

Assistance for Small Entities

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this proposed rule so that they can better evaluate its effects on them and participate in the rulemaking. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact BM1 Adam Kraft, Prevention Department, Coast Guard Sector Lake Michigan, Milwaukee, WI at (414) 747–7154. The Coast Guard will not retaliate against small entities that question or complain about this proposed rule or any policy or action of the Coast Guard.

Collection of Information

This proposed rule calls for no new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

Federalism

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on State or local governments and would either preempt State law or impose a substantial direct cost of compliance on them. We have analyzed this proposed rule under that Order and have determined that it does not have implications for federalism.

Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of $100,000,000 (adjusted for inflation) or more in any one year. Though this proposed rule would not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

Taking of Private Property

This proposed rule will not affect the taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.
Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

Protection of Children

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

Energy Effects

We have analyzed this proposed rule under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use. We have determined that it is not a “significant energy action” under that order because it is not a “significant regulatory action” under Executive Order 12866 and is not likely to have a significant adverse effect on the supply, distribution, or use of energy. The Administrator of the Office of Information and Regulatory Affairs has not designated it as a significant energy action. Therefore, it does not require a Statement of Energy Effects under Executive Order 13211.

Technical Standards

The National Technology Transfer and Advancement Act (NTTAA) (15 U.S.C. 272 note) directs agencies to use voluntary consensus standards in their regulatory activities unless the agency provides Congress, through the Office of Management and Budget, with an explanation of why using these standards would be inconsistent with applicable law or otherwise impractical. Voluntary consensus standards are technical standards (e.g., specifications of materials, performance, design, or operation; test methods; sampling procedures; and related management systems practices) that are developed or adopted by voluntary consensus standards bodies. This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. A preliminary environmental analysis checklist supporting this preliminary determination is available in the docket where indicated under ADDRESSES. This proposed rule involves the establishment, disestablishment, and changing of safety zones, and thus, paragraph 34(g) of figure 2–1 in Commandant Instruction M16475.1D applies. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR Part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

1. The authority citation for Part 165 continues to read as follows:

2. Revise § 165.929 to read as follows:

§ 165.929 Safety Zones; Annual events requiring safety zones in the Captain of the Port Lake Michigan zone.

(a) St. Patrick’s Day Fireworks; Manitowoc, WI.

(1) Location. All waters of the Manitowoc River and Manitowoc Harbor, near the mouth of the Manitowoc River on the south shore, within the arc of a circle with a 100-foot radius from the fireworks launch site located in position 44°05′30″ N, 087°39′12″ W (NAD 83).

(i) Enforcement date and time. The third Saturday of March; 5:30 p.m. to 7 p.m.

(2) [Reserved]

(b) Michigan Aerospace Challenge Sport Rocket Launch; Muskegon, MI.

(1) Location. All waters of Muskegon Lake, near the West Michigan Dock and Market Corp facility, within the arc of a circle with a 1500-yard radius from the rocket launch site located in position 43°14′21″ N, 086°15′35″ W (NAD 83).

(2) Enforcement date and time. The last Saturday of April; 8 a.m. to 4 p.m.

(c) Tulip Time Festival Fireworks; Holland, MI.

(1) Location. All waters of Lake Macatawa, near Kollen Park, within the arc of a circle with a 1000-foot radius from the fireworks launch site in position 42°47′23″ N, 086°07′22″ W (NAD 83).

(i) Enforcement date and time. The first Friday of May; 7 p.m. to 11 p.m. If the Friday fireworks are cancelled due to inclement weather, then this safety zone will be enforced on the first Saturday of May; 7 p.m. to 11 p.m.

(2) [Reserved]

(d) Rockets for Schools Rocket Launch; Sheboygan, WI.

(1) Location. All waters of Lake Michigan and Sheboygan Harbor, near the Sheboygan South Pier, within the arc of a circle with 1500-yard radius from the rocket launch site located with its center in position 43°44′55″ N, 087°41′52″ W (NAD 83).

(2) Enforcement date and time. The first Saturday of May; 8 a.m. to 5 p.m.

(e) Celebrate De Pere; De Pere, WI.

(1) Location. All waters of the Fox River, near Voyager Park, within the arc of a circle with a 500-foot radius from the fireworks launch site located in position 44°27′10″ N, 088°03′50″ W (NAD 83).

(2) Enforcement date and time. The Sunday before Memorial Day; 8:30 p.m. to 10 p.m.

(f) Michigan Super Boat Grand Prix; Michigan City, IN.

(1) Location. All waters of Lake Michigan in the vicinity of Michigan City, IN, bounded by a line drawn from 41°43′42″ N, 086°54′18″ W; then north to 41°43′49″ N, 086°54′31″ W; then east to 41°44′48″ N, 086°51′45″ W; then south to 41°44′42″ N, 086°51′31″ W; then west returning to the point of origin. (NAD 83).

(2) Enforcement date and time. The first Sunday of August; 9 a.m. to 4 p.m.

(g) River Splash; Milwaukee, WI.

(1) Location. All waters of the Milwaukee River, near Marquette Park, within the arc of a circle with a 300-foot radius from the fireworks launch
launch site located on a barge in position 43°02′32″ N, 087°54′45″ W (NAD 83).

(2) Enforcement date and time. The first Friday and Saturday of June; 9 p.m. to 11 p.m. each day.

(3) Enforcement date and time. Friday and Saturday of the third complete weekend of June; 9 p.m. to 11 p.m. each day.

(i) Harborfest Music and Family Festival; Racine, WI.

(1) Location. All waters of Lake Michigan and Racine Harbor, near the Racine Launch Basin Entrance Light, within the arc of a circle with a 200-foot radius from the fireworks launch site located in position 42°43′43″ N, 087°46′40″ W (NAD 83).

(2) Enforcement date and time. The third Saturday of June; 9 p.m. to 11 p.m.

(j) Spring Lake Heritage Festival Fireworks; Spring Lake, MI.

(1) Location. All waters of the Grand River, near buoy 14A, within the arc of a circle with a 500-foot radius from the fireworks launch site located on a barge in position 43°04′24″ N, 086°12′42″ W (NAD 83).

(2) Enforcement date and time. The last Saturday of June; 9 p.m. to 11 p.m.

(k) Elberta Solstice Festival Fireworks; Elberta, MI.

(1) Location. All waters of Betsie Bay, near Waterfront Park, within the arc of a circle with a 500-foot radius from the fireworks launch site located in position 44°37′43″ N, 086°14′27″ W (NAD 83).

(2) Enforcement date and time. The last Saturday of June; 9 p.m. to 11 p.m.

(l) Pentwater July Third Fireworks; Pentwater, MI.

(1) Location. All waters of Lake Michigan and the Pentwater Channel within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 43°46′57″ N, 086°26′38″ W (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 4; 9 p.m. to 11 p.m.

(m) Taste of Chicago Fireworks; Chicago, IL.

(1) Location. All waters of Monroe Harbor and all waters of Lake Michigan bounded by a line drawn from 41°53′24″ N, 087°35′50″ W; then east to 41°53′15″ N, 087°35′26″ W; then south to 41°52′49″ N, 087°35′26″ W; then southwest to 41°52′27″ N, 087°36′37″ W; then north to 41°53′15″ N, 087°36′33″ W; then east returning to the point of origin (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 4; 9 p.m. to 11 p.m.

(n) U.S. Bank Fireworks; Milwaukee, WI.

(1) Location. All waters and adjacent shoreline of Milwaukee Harbor, in the vicinity of Veteran’s park, within the arc of a circle with a 1200-foot radius from the center of the fireworks launch site which is located on a barge with its approximate position located at 43°02′22″ N, 087°53′29″ W (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 4; 9 p.m. to 11 p.m.

(o) Independence Day Fireworks; Manistee, MI.

(1) Location. All waters of Lake Michigan, in the vicinity of the First Street Beach, within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 44°14′51″ N, 086°20′46″ W (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 4; 9 p.m. to 11 p.m.

(p) Frankfort Independence Day Fireworks; Frankfort, MI.

(1) Location. All waters of Lake Michigan and Frankfort Harbor, bounded by a line drawn from 44°38′05″ N, 086°14′50″ W; then south to 44°37′39″ N, 086°14′50″ W; then west to 44°37′39″ N, 086°15′20″ W; then north to 44°38′05″ N, 086°15′20″ W; then east returning to the point of origin (NAD 83).

(2) Enforcement date and time. July 4; 9 p.m. to 11 p.m. If the July 4 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 5; 9 p.m. to 11 p.m.

(q) Freedom Festival Fireworks; Ludington, MI.

(1) Location. All waters of Lake Michigan and Ludington Harbor, in the vicinity of the Loomis Street Boat Ramp, within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 43°57′16″ N, 086°27′42″ W (NAD 83).

(2) Enforcement date and time. July 4; 9 p.m. to 11 p.m. If the July 4 fireworks are cancelled due to inclement weather, then this safety zone will be enforced July 5; 9 p.m. to 11 p.m.
(1) Location. All waters of Lake Michigan and the Holland Channel within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 42°46′21″ N, 086°12′48″ W (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced.

(3) Location. All waters of the Des Moines River, at mile 288, within the arc of a circle with a 500-foot radius from the fireworks launch site located in position 41°31′31″ N, 088°05′15″ W (NAD 83).

(2) Enforcement date and time. July 3; 9 p.m. to 11 p.m. If the July 3 fireworks are cancelled due to inclement weather, then this safety zone will be enforced.

(4) Location. All waters of Lake Michigan and the Black River within the arc of a circle with a 1000-foot radius from the fireworks launch site located in position 42°24′08″ N, 086°17′03″ W (NAD 83).

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

Revisions to the California State Implementation Plan, Placer County Air Pollution Control District and Ventura County Air Pollution Control District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve revisions to the Placer County Air Pollution Control District (PCAPCD) and Ventura County Air Pollution Control District (VCAPCD) portion of the California State Implementation Plan (SIP). These revisions concern volatile organic compound (VOC) emissions from surface coatings of metal parts and products. We are proposing to approve local rules to regulate these emission sources under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: Any comments on this proposal must arrive by June 23, 2011.

ADDRESSES: Submit comments, identified by docket number EPA–R09–OAR–2011–0355, by one of the following methods:
2. E-mail: steckel.andrew@epa.gov.
3. Mail or deliver: Andrew Steckel (Air–4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105–3901.

Instructions: All comments will be included in the public docket without change and may be made available online at http://www.regulations.gov, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through http://www.regulations.gov or e-mail. http://www.regulations.gov is an “anonymous access” system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send e-mail directly to EPA, your e-mail address will be automatically captured and included as part of the public comment. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: Generally, documents in the docket for this action are available electronically at http://www.regulations.gov and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California. While all documents in the docket are listed at http://www.regulations.gov, some information may be publicly available only at the hard copy location (e.g., copyrighted material, large maps), and some may not be publicly available in either location (e.g., CBI). To inspect the hard copy materials, please schedule an appointment during normal business hours with the contact listed in the FOR FURTHER INFORMATION CONTACT section.

FOR FURTHER INFORMATION CONTACT: Adrienne Borgia, EPA Region IX, (415) 972–3576, borgia.adrienne@epa.gov.

SUPPLEMENTARY INFORMATION: This proposal addresses the following local rules: PCAPCD Rule 245, “Surface Coating of Metal Parts and Products” and VCAPCD Rule 74.12, “Surface Coating of Metal Parts and Products.” In the Rules and Regulations section of this Federal Register, we are approving these local rules in a direct final action without prior proposal because we believe these SIP revisions are not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule. Please note that if we receive adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, we may adopt as final those provisions of the rule that are not the subject of an adverse comment.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.
