

(FONSI) on May 17, 2011. The Navy's EA and NMFS' FONSI for this action are available for review at <http://www.nmfs.noaa.gov/pr/permits/incidental.htm>.

Determinations

NMFS has determined that the impact of conducting the specific activities described in this notice and in the IHA request in the specific geographic region in the Hood Canal, Washington may result, at worst, in a temporary modification in behavior (Level B harassment) of small numbers of marine mammals. Further, this activity is expected to result in a negligible impact on the affected species or stocks of marine mammals. The provision requiring that the activity not have an unmitigable impact on the availability of the affected species or stock of marine mammals for subsistence uses is not implicated for this action.

Authorization

As a result of these determinations, NMFS has issued an IHA to the Navy to conduct a pile replacement project in the Hood Canal from the period of July 16, 2011, through July 15, 2012, provided the previously mentioned mitigation, monitoring, and reporting requirements are incorporated.

Dated: May 17, 2011.

DEPARTMENT OF EDUCATION

Federal Need Analysis Methodology for the 2012-2013 Award Year

AGENCY: Federal Student Aid, Department of Education.

ACTION: Notice of revision of the Federal Need Analysis Methodology for the 2012-2013 award year.

Overview Information:

[CFDA Numbers 84.063; 84.038; 84.033; 84.007; 84.268; 84.379].

Federal Need Analysis Methodology for the 2012-2013 award year; Federal Pell Grant, Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, William D. Ford Federal Direct Loan, and TEACH Grant Programs.

SUMMARY: The Secretary announces the annual updates to the tables that will be used in the statutory "Federal Need Analysis Methodology" to determine a

student's expected family contribution (EFC) for award year 2012-2013 for the student financial aid programs authorized under title IV of the Higher Education Act of 1965, as amended (HEA). An EFC is the amount that a student and his or her family may reasonably be expected to contribute toward the student's postsecondary educational costs for purposes of determining financial aid eligibility. The Title IV programs include the Federal Pell Grant, Federal Perkins Loan, Federal Work-Study, Federal Supplemental Educational Opportunity Grant, William D. Ford Federal Direct Loan, and the Teach Grant Programs (Title IV, HEA Programs).

FOR FURTHER INFORMATION CONTACT: Ms. Marya Dennis, Management and Program Analyst, U.S. Department of Education, room 63G2, Union Center Plaza, 830 First Street, NE., Washington, DC 20202-5454. Telephone: (202) 377-3385.

Individuals with disabilities can obtain this document in an accessible format (e.g., braille, large print, audiotape, or computer diskette) on request to the contact person listed under **FOR FURTHER INFORMATION CONTACT**.

SUPPLEMENTARY INFORMATION: Part F of Title IV of the HEA specifies the criteria, data elements, calculations, and tables used in the Federal Need Analysis Methodology EFC calculations.

Section 478 of part F of title IV of the HEA requires the Secretary to adjust four of the tables—the Income Protection Allowance, the Adjusted Net Worth of a Business or Farm, the Education Savings and Asset Protection Allowance, and the Assessment Schedules and Rates—each award year for general price inflation. The changes are based, in general, upon increases in the Consumer Price Index.

For award year 2012-2013, the Secretary is charged with updating the income protection allowance for parents of dependent students, adjusted net worth of a business or farm, and the assessment schedules and rates to account for inflation that took place between December 2010 and December 2011. However, because the Secretary must publish these tables before December 2011, the increases in the tables must be based upon a percentage equal to the estimated percentage increase in the Consumer Price Index for All Urban Consumers (CPI-U) for

2011. The Secretary must also account for any misestimation of inflation for the prior year. In developing the table values for the 2011-2012 award year, the Secretary assumed a 1.2 percent increase in the CPI-U for the period December 2009 through December 2010. Actual inflation for this time period was 1.4 percent. The Secretary estimates that the increase in the CPI-U for the period December 2010 through December 2011 will be 0.8 percent. Additionally, section 601 of the College Cost Reduction and Access Act of 2007 (CCRAA, Pub. L. 110-84) amended sections 475 through 478 of the HEA by updating the procedures for determining the income protection allowance for dependent students, as well as the income protection allowance tables for both independent students with dependents other than a spouse, and independent students without dependents other than a spouse. As amended by the CCRAA, the HEA now includes new 2012-2013 award year values for these income protection allowances. The updated tables are in sections 1, 2, and 4 of this notice.

The Secretary must also revise, for each award year, the education savings and asset protection allowances as provided for in section 478(d) of the HEA. The Education Savings and Asset Protection Allowance table for award year 2012-2013 has been updated in section 3 of this notice.

Section 478(h) of the HEA also requires the Secretary to increase the amount specified for the Employment Expense Allowance, adjusted for inflation. This calculation is based upon increases in the Bureau of Labor Statistics budget of the marginal costs for a two-worker family compared to a one-worker family for food away from home, apparel, transportation, and household furnishings and operations. The Employment Expense Allowance table for award year 2012-2013 has been updated in section 5 of this notice.

The HEA provides for the following annual updates:

1. *Income Protection Allowance (IPA).* This allowance is the amount of living expenses associated with the maintenance of an individual or family that may be offset against the family's income. It varies by family size. The IPA for the dependent student is \$6,000. The IPAs for parents of dependent students for award year 2012-2013 are:

The IPAs for independent students with dependents other than a spouse for award year 2012-13 are:

PARENTS OF DEPENDENT STUDENTS

Family size	Number in college				
	1	2	3	4	5
2	\$16,390	\$13,590
3	20,410	17,620	\$14,820
4	25,210	22,400	19,620	\$16,810
5	29,740	26,940	24,150	21,340	\$18,560
6	34,790	31,990	29,200	26,390	23,600

For each additional family member add \$3,930.
 For each additional college student subtract \$2,790.

INDEPENDENT STUDENTS WITH DEPENDENTS OTHER THAN A SPOUSE

Family size	Number in college				
	1	2	3	4	5
2	\$23,630	\$19,590
3	29,420	25,400	\$21,360
4	36,330	32,300	28,280	\$24,230
5	42,870	38,820	34,800	30,770	\$26,750
6	50,130	46,100	42,090	38,030	34,020

For each additional family member add \$5,660.
 For each additional college student subtract \$4,020.

The IPAs for single independent students and independent students without dependents other than a spouse for award year 2012–13 are:

Marital status	Number in college	IPA
Single	1	\$9,330
Married	2	9,330
Married	1	14,960

2. *Adjusted Net Worth (NW) of a Business or Farm.* A portion of the full net worth (assets less debts) of a business or farm is excluded from the calculation of an expected contribution because—(1) The income produced from these assets is already assessed in another part of the formula; and (2) the formula protects a portion of the value of the assets. The portion of these assets included in the contribution calculation is computed according to the following schedule. This schedule is used for parents of dependent students, independent students without dependents other than a spouse, and independent students with dependents other than a spouse.

If the Net Worth (NW) of a business or farm is—	Then the Adjusted Net Worth is—
Less than \$1	\$0
\$1 to \$115,000	\$0 + 40% of NW
\$115,00 to \$350,000	\$46,000 + 50% of NW over \$115,000
\$350,001 to \$585,000	\$163,500 + 60% of NW over \$350,000

If the Net Worth (NW) of a business or farm is—	Then the Adjusted Net Worth is—
\$585,001 or more	\$304,500 + 100% of NW over \$585,000

3. *Education Savings and Asset Protection Allowance.* This allowance protects a portion of net worth (assets less debts) from being considered available for postsecondary educational expenses. There are three asset protection allowance tables—one for parents of dependent students, one for independent students without dependents other than a spouse, and one for independent students with dependents other than a spouse.

4. Assessment Schedules and Rates.

Two schedules that are subject to updates, one for parents of dependent students and one for independent students with dependents other than a spouse, are used to determine the EFC toward educational expenses from family financial resources. For dependent students, the EFC is derived from an assessment of the parents' adjusted available income (AAI). For independent students with dependents other than a spouse, the EFC is derived from an assessment of the family's AAI. The AAI represents a measure of a family's financial strength, which considers both income and assets.

Parents' contribution for a dependent student is computed according to the following schedule:

If AAI is—	Then the contribution is—
Less than –\$3,409 ...	–\$750
(\$3,409) to \$14,600 ...	22% of AAI
\$14,601 to \$18,400 ...	\$3,212 + 25% of AAI over \$14,600
\$18,401 to \$22,100 ...	\$4,162 + 29% of AAI over \$18,400

If AAI is—	Then the contribution is—
\$22,101 to \$25,900 ...	\$5,235 + 34% of AAI over \$22,100
\$25,901 to \$29,600 ...	\$6,527 + 40% of AAI over \$25,900
\$29,601 or more	\$8,007 + 47% of AAI over \$29,600

The contribution for an independent student with dependents other than a spouse is computed according to the following schedule:

If AAI is—	Then the contribution is—
Less than –\$3,409 ...	–\$750
(\$3,409) to \$14,600 ...	22% of AAI
\$14,601 to \$18,400 ...	\$3,212 + 25% of AAI over \$14,600
\$18,401 to \$22,100 ...	\$4,162 + 29% of AAI over \$18,400
\$22,101 to \$25,900 ...	\$5,235 + 34% of AAI over \$22,100
\$25,901 to \$29,600 ...	\$6,527 + 40% of AAI over \$25,900
\$29,601 or more	\$8,007 + 47% of AAI over \$29,600

5. Employment Expense Allowance.

This allowance for employment-related expenses, which is used for the parents of dependent students and for married independent students, recognizes additional expenses incurred by working spouses and single-parent households. The allowance is based upon the marginal differences in costs for a two-worker family compared to a one-worker family for food away from home, apparel, transportation, and household furnishings and operations.

The employment expense allowance for parents of dependent students, married independent students without dependents other than a spouse, and independent students with dependents other than a spouse is the lesser of \$3,600 or 35 percent of earned income.

6. Allowance for State and Other Taxes. The allowance for State and other taxes protects a portion of the parents' and students' income from being considered available for postsecondary educational expenses. There are four categories for State and other taxes, one each for parents of dependent students, independent students with dependents other than a spouse, dependent students, and independent students without dependents other than a spouse. Section 478(g) of the HEA directs the Secretary to update the tables for State and other taxes after reviewing the Statistics of Income file data maintained by the Internal Revenue Service.
