At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The review shows that on August 18, 2008, a certification of eligibility to apply for adjustment assistance was issued for all workers of St. John Knits, Sample Manufacturing Department, Irvine, California, separated from employment on or after June 11, 2007 through August 18, 2010. The notice was published in the Federal Register on September 3, 2008 (73 FR 51529). In order to avoid an overlap in worker group coverage, the Department is amending the November 3, 2009 impact date established for TA–W–74,839, to read August 19, 2010.

The amended notice applicable to TA–W–74,839 is hereby issued as follows:

All workers of St. John Knits, Inc., Irvine, California, who became totally or partially separated from employment on or after August 19, 2010, through January 31, 2013, and all workers in the group threatened with total or partial separation from employment on date of certification through two years from the date of certification, are eligible to apply for adjustment assistance under Chapter 2 of Title II of the Trade Act of 1974, as amended.

Signed at Washington, DC, this 8th day of March, 2011.
