SUPPLEMENTARY INFORMATION:

On October 13, 2005, the final Cross-Media Electronic Reporting Rule (CROMERR) was published in the **Federal Register** (70 FR 59848) and codified as Part 3 of title 40 of the CFR. CROMERR establishes electronic reporting as an acceptable regulatory alternative to paper reporting and establishes requirements to assure that electronic documents are as legally dependable as their paper counterparts. Under Subpart D of CROMERR, state, tribe or local government agencies that receive, or wish to begin receiving, electronic reports under their EPA-authorized programs must apply to EPA for a revision or modification of those programs and obtain EPA approval. Subpart D also provides standards for such approvals based on consideration of the electronic document receiving systems that the state, tribe, or local government will use to implement the electronic reporting. Additionally, in § 3.1000(b) through (e) of 40 CFR Part 3, Subpart D provides special procedures for program revisions and modifications to allow electronic reporting, to be used at the option of the state, tribe or local government in place of procedures available under existing program-specific authorization regulations. An application submitted under the Subpart D procedures must show that the state, tribe or local government has sufficient legal authority to implement the electronic reporting components of the programs covered by the application and will use electronic document receiving systems that meet the applicable Subpart D requirements.

On December 9, 2010, the Ohio Environmental Protection Agency (EPA) submitted a consolidated application for its eBusiness Center electronic document receiving system for revision/modification of its EPA-authorized programs under title 40 CFR. EPA reviewed Ohio EPA's request to revise its EPA-authorized programs and, based on this review, EPA determined that the application met the standards for approval of authorized program

revisions/modifications set out in 40 CFR part 3, subpart D. In accordance with 40 CFR 3.1000(d), this notice of EPA's decision to approve Ohio's request for revision to its Part 403-General Pretreatment Regulations for Existing and New Sources of Pollution EPA-authorized programs for electronic reporting of Industrial and Publicly Owned Treatment Works reports under 40 CFR part 403 is being published in the **Federal Register**.

Ohio EPA was notified of EPA's determination to approve its application with respect to the authorized program listed above.

SUPPLEMENTARY INFORMATION:

A. Need For and Use of the Information Collection

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors. See 12 U.S.C. 1427(a)(1). As required by section 7, each Bank’s board comprises two types of directors: (1) Member directors, who are drawn from the officers and directors of member institutions located in the Bank’s district and who are elected every four years to represent members in a particular state; and (2) independent directors, who are unaffiliated with any Bank member and who are elected every four years on an at-large basis in each Bank district. See 12 U.S.C. 1427(b) and (d). Section 7 and FHFA’s implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the qualifications for independent directors, and set forth the procedures for their election.

Under part 1261, the Banks determine the eligibility of nominees for member and independent directorships and administer the annual director election process. As part of this process, candidates for both types of directorship, including incumbents, are required to complete and return to the Bank a form that solicits information about the candidate’s statutory eligibility to serve and, in the case of independent director candidates, about his or her qualifications for the directorship being sought. See 12 CFR 1261.7(c) and (f); 12 CFR 1261.14(b). Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form (Member Director Eligibility Certification Form)*, while independent director candidates must complete the *Federal Home Loan Bank Independent Director Application Form*. Part 1261 also requires that all directors certify annually that they continue to meet all eligibility requirements. See 12 CFR 1261.12. Member Directors do this by completing the *Member Director Eligibility Certification Form* again every year, while Independent Directors complete the abbreviated *Federal Home Loan Bank Independent Director Annual Certification Form* to certify their ongoing eligibility.

Affected Public: Private Sector.

Costs: FHFA estimates that there will be no annualized capital/start-up costs for the respondents to collect and submit the information.
