INTERNATIONAL TRADE COMMISSION

Investigation Nos. [731–TA–1186–1187] (Preliminary)

Certain Stilbenic Optical Brightening Agents From China and Taiwan

Determinations

On the basis of the record developed in the subject investigation, the United States International Trade Commission (Commission) determines, pursuant to section 733(a) of the Tariff Act of 1930 (19 U.S.C. 1673b(a)) (the Act), that there is a reasonable indication that an industry in the United States is materially injured by reason of LTFV imports of certain stilbenic optical brightening agents from China and Taiwan. Accordingly, effective March 31, 2011, the Commission instituted antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On March 31, 2011, a petition was filed with the Commission and Commerce by Clariant Corp., Charlotte, NC, alleging that an industry in the United States is materially injured by reason of LTFV imports of certain stilbenic optical brightening agents from China and Taiwan. Accordingly, effective March 31, 2011, the Commission instituted antidumping duty investigation Nos. 731–TA–1186–1187 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the Federal Register of April 7, 2011 (76 FR 19383). The conference was held in Washington, DC, on April 21, 2011, and all persons who requested the opportunity were permitted to appear in person or by counsel.

Issued: May 23, 2011.
By order of the Commission.
James R. Holbein,
Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337–TA–714]

In the Matter of Certain Electronic Devices With Multi-Touch Enabled Touchpads and Touchscreens; Notice of Request for Statements on the Public Interest

Section 337 of the Tariff Act of 1930 provides that if the Commission finds a violation it shall exclude the articles concerned from the United States:

Unless, after considering the effect of such exclusion upon the public health and welfare, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, and United States consumers, it finds that such articles should not be excluded from entry.

The Commission is interested in further development of the record on the public interest in its investigations. Accordingly, the parties are invited to file submissions of no more than five (5) pages concerning the public interest in light of the administrative law judge’s Recommended Determination on Remedy and Bonding issued in this investigation on April 29, 2011. Comments should address whether issuance of a limited exclusion order and/or a cease and desist order in this investigation could affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the orders are used in the United States;
(ii) identify any public health, safety, or welfare concerns in the United States relating to the potential orders;
(iii) indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders;
(iv) indicate whether Complainant, Complainant’s licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time; and
(v) indicate whether the limited exclusion order and/or cease and desist

The record is defined in section 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).
