Foreign Trade Zone 203—Moses Lake, Washington, Export-Only Manufacturing Authority, SGL Automotive Carbon Fibers, LLC, (Carbon Fiber); Notice of Temporary Approval

On January 4, 2011, an application was submitted by the Port of Moses Lake Public Corporation, grantee of Foreign-Trade Zone (FTZ) 203, requesting authority on behalf of SGL Automotive Carbon Fibers, LLC (SGL) to manufacture carbon fiber under FTZ procedures solely for export within Site 3 of FTZ 203 in Moses Lake, Washington. The request was given notice in the Federal Register inviting public comment (Docket 4–2011, 76 FR 1599, 1/11/2011).

Section 400.32(b)(1)(ii) of the FTZ Board’s regulations (15 CFR part 400) allows the Assistant Secretary for Import Administration to act for the Board in making decisions on new manufacturing authority when the activity would be for export only. Pursuant to that regulatory provision, on May 13, 2011, the Assistant Secretary for Import Administration approved authority for SGL’s export-only manufacturing activity for a two-year period (until May 13, 2013), subject to the FTZ Act (19 U.S.C. 81a–81u) and the Board’s regulations, including Section 400.28.

For any potential approval by the FTZ Board of authority beyond the initial two-year period, the SGL application is continuing to be processed under Docket 4–2011, including the conduct of an industry survey pursuant to 15 CFR 400.27(d)(3)(vi).

DATED: May 20, 2011.

Andrew McGilvray, Executive Secretary.

Polyethylene Terephthalate Film, Sheet, and Strip From India: Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

We determine that completion of the preliminary results of this review within the 245-day period is not practicable for the following reasons. This review requires the Department to gather and analyze a significant amount of information pertaining to each of the company’s sales practices, manufacturing costs, and corporate relationships. Furthermore, on May 17, 2011, the Department initiated a sales-below-cost-of-production investigation of Riddhi Enterprises (Riddhi), a pro se respondent, pursuant to an allegation submitted by petitioner on May 2, 2011. As a result, the Department will require additional time to receive and analyze Riddhi’s Section D questionnaire response. Given the complexity of these issues, and in accordance with section 751(a)(3)(A) of the Act, we are extending the time period for issuing the preliminary results of this review by 120 days. Accordingly, the deadline for the completion of the preliminary results is now September 30, 2011. Unless extended, the final results continue to be due 120 days after the publication of the preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

This notice is published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: May 20, 2011.

Christian Marsh,
Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
