

**Disclosure**

The Department will disclose to parties the calculations performed in connection with these final results within five days of the date of public announcement. See 19 CFR 351.224(b).

**Assessment and Cash Deposit Instructions**

The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review to liquidate shipments of subject merchandise produced and exported by SRF and entered, or withdrawn from warehouse, for consumption on or after July 1, 2009, through December 31, 2009, without regard to antidumping duties.

The Department intends to also instruct CBP that the cash deposit rate for SRF is zero percent *ad valorem* of the entered value on shipments of the subject merchandise produced and exported by SRF, and entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this new shipper review.

Further, effective upon publication of the final results of this new shipper review, we intend to instruct CBP that importers may no longer post a bond or other security in lieu of a cash deposit on imports of PET Film from India, manufactured and exported by SRF. These cash deposit requirements, when imposed, shall remain in effect until further notice. The cash deposit rates for all companies not covered by this review are not changed by the results of this new shipper review.

**Notification to Importers**

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

**Return or Destruction of Proprietary Information**

This notice serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under the APO in accordance with 19 CFR 351.305. Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested.

Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: May 20, 2011.

**Polyethylene Terephthalate Film, Sheet, and Strip From India: Final Results of Countervailing Duty New Shipper Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On December 21, 2010, the Department of Commerce (the Department) issued the preliminary results of the new shipper review of polyethylene terephthalate film, sheet and strip (PET Film) from India for SRF Limited (SRF), covering the period January 1, 2009, through December 31, 2009 (POR). Based on the results of our analysis of the comments received, we continue to find that the U.S. sale of subject merchandise produced and exported by SRF was *bona fide*. Also based on our analysis of SRF's comments, we made certain revisions to the calculations of several subsidy programs. The final subsidy rate for the reviewed company is listed below in the section titled "Final Results of New Shipper Review." The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties at the final subsidy rate.

**DATES:** *Effective Date:* May 27, 2011.

**SUPPLEMENTARY INFORMATION:****Background**

Since the issuance of *Polyethylene Terephthalate Film, Sheet, and Strip From India: Preliminary Results of Countervailing Duty New Shipper Review*, 75 FR 81574 (December 28, 2010) (*Preliminary Results*), the following events have occurred. SRF filed its response to the Department's second supplemental questionnaire on December 27, 2010. On January 21, 2011, the Department issued a memorandum confirming the briefing schedule, which was in accordance with 19 CFR 351.309(c) and the *Preliminary Results*, 75 FR at 81583. See Memorandum To Interested Parties From Elfi Blum, International Trade Compliance Analyst, AD/CVD Operations, Office 6: New Shipper Reviews of the Antidumping Duty and Countervailing Duty Orders on Polyethylene Terephthalate Film, Sheet, and Strip from India; Verification and Briefing Schedule for the Final Results of Review (January 21, 2011). SRF and the petitioners, Dupont Teijin Films, Mitsubishi Polyester Film of America, and Toray Plastics (America), Inc., timely filed case briefs on January 27, 2011. On January 31, 2011, the Department rejected SRF's case brief because it contained untimely new factual information. SRF timely re-filed its case brief on February 1, 2011. Both SRF and the petitioners timely filed their rebuttal briefs on February 1, 2011. On March 9, 2011, the Department published an extension of the final results of the new shipper review from March 21, 2011 to May 20, 2011. See *Polyethylene Terephthalate Film, Sheet and Strip From India: Extension of Time Limit for Final Results of Countervailing Duty New Shipper Review*, 76 FR 12938 (March 9, 2011).

The Department obtained, from CBP, import data for entries of PET Film from India into the United States during the period December 2009 through January 2011. On February 11, 2011, the Department placed this information on the record of this review. See Memorandum To All Interested Parties From Toni Page, International Trade Compliance Analyst: Antidumping and Countervailing Duty New Shipper

Reviews of Polyethylene Terephthalate Film, Sheet, and Strip from India: U.S. Customs Entries from December 2009 to Present (January 11, 2011). The Department issued its third supplemental questionnaire to SRF on February 11, 2011, requesting information about the company's shipments after the POR of PET Film to the United States. On February 25, 2011, SRF filed its response to the Department's third supplemental questionnaire.

On April 13, 2011, the Department placed additional CBP data concerning post-POR shipments of PET Film to the United States, sold by SRF, on the record of this review and requested comments from the parties. See Memorandum To All Interested Parties From Toni Page, International Trade Compliance Analyst: Antidumping and Countervailing Duty New Shipper Reviews of Polyethylene Terephthalate Film, Sheet, and Strip from India: U.S. Customs Entries from December 2009 to present (April 13, 2011). The petitioners and SRF filed comments on the CBP data on April 18, 2011.

#### Scope of the Order

The products covered by the order are all gauges of raw, pretreated, or primed polyethylene terephthalate film, sheet and strip, whether extruded or coextruded. Excluded are metallized films and other finished films that have had at least one of their surfaces modified by the application of a performance-enhancing resinous or inorganic layer more than 0.00001 inches thick. Imports of PET Film are classifiable in the Harmonized Tariff Schedule of the United States (HTSUS) under item number 3920.62.00.90. HTSUS subheadings are provided for convenience and customs purposes. The written description of the scope of the order is dispositive.

#### Bona Fide Analysis of SRF's U.S. Sale

In the *Preliminary Results*, we determined that SRF's U.S. sale was a *bona fide* transaction. See Memorandum from Toni Page, International Trade Analyst Regarding: *Bona Fide* Analysis of the Sale in the Antidumping Duty New Shipper Review of Certain Polyethylene Terephthalate Film, Sheet, and Strip from India: SRF Limited (December 21, 2010). The Department also stated it would continue to examine, through the remainder of the review, all factors relating to the *bona fide* analysis of the sale. We have further examined the *bona fide* nature of SRF's U.S. sale and, for these final results, we continue to find the sale to be *bona fide*. For further details, see, Memorandum to

File from Toni Page, International Trade Analyst, *Bona Fide* Analysis of SRF's Sale in the Countervailing Duty New Shipper Review of Polyethylene Terephthalate Film, Sheet, and Strip from India, dated concurrently with this notice.

#### Analysis of Comments Received

All issues raised in the case brief and rebuttal brief by parties to this new shipper review are addressed in Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Ronald K. Lorentzen, Deputy Assistant Secretary for Import Administration, Issues and Decision Memorandum for the Final Results of the Countervailing Duty New Shipper Review of Polyethylene Terephthalate Film, Sheet, and Strip (PET Film) from India (May 20, 2011) (Issues and Decision Memorandum), which is hereby adopted by this notice. The Issues and Decision Memorandum also contains a complete analysis of the programs covered by this review, the methodologies used to calculate the subsidy rates, and discusses any changes to the subsidy rates from the *Preliminary Results*. A list of the comments raised in the briefs and addressed in the Issues and Decision Memorandum is appended to this notice. The Issues and Decision Memorandum is on file in the Central Records Unit (CRU), room 7046 of the main Department building, and can be accessed directly on the Web at <http://ia.ita.doc.gov/frn>. The paper and electronic version of the Issues and Decision Memorandum are identical in content.

#### Changes Since the Preliminary Results

Based on our analysis of comments received, we have revised the calculations with respect to the benefit amount calculated on certain additional Export Promotion Capital Goods Scheme (EPCGS) licenses that SRF provided in its second supplemental questionnaire response, and that we included in our benefit calculations for those programs.

We also made changes to our benefit calculation with regard to the Advance License Program. Based on our analysis of the information SRF provided in its second supplemental questionnaire response, we have made changes to the numerator and the denominator in our benefit calculation for this program.

In addition, we revised our benefit calculations with respect to two sub-programs of the Special Economic Zone (SEZ) program, the "Discounted Land Fees in an SEZ" and "Exemption from

Stamp Duty of all Transactions and Transfers of Immovable Property, or Documents related thereto within the SEZ (Stamp Duty)." Based on further analysis of the information provided on the record of this review, and the comments provided by interested parties, for these final results, we determine these benefits to be non-recurring under 19 CFR 351.524(b) and (c)(2)(i). We performed the "0.5 percent test," as prescribed under 19 CFR 351.524(b)(2) and found that this SEZ land concession was in excess of 0.5 percent of SRF's total export sales in the year the benefit was bestowed. Therefore, for these final results, we allocated the 75 percent discount on the lease of the SEZ land, using as the allocation period for non-recurring subsidies the AUL prescribed by the Internal Revenue Service (IRS) for renewable physical assets for the industry under consideration (as listed in the IRS's 1977 Class Life Asset Depreciation Range System, and as updated by the Department of the Treasury), in accordance with 19 CFR 351.524(d)(2)(i). We found that the amount of uncollected stamp duties on the lease of the SEZ land was less than 0.5 percent of total export sales during the year in which the benefit was received. Therefore, we allocated the benefit received from exempted stamp duty to the year it was received.

Further, we made changes to our calculation of the rupee-denominated short-term benchmark. In the *Preliminary Results* we allocated loan fees due on the respective working capital loans during the POR, by applying the individual ratios to the sanctioned credit limits, as applicable, treating each listed sanctioned credit limit as an individual loan. Based on the detailed explanation in SRF's case brief, we re-examined the information on the record and have revised our calculation of SRF's rupee-denominated short-term benchmark for these final results. We have not treated each draw down as a separate loan; as a result, we have applied the application fees only once to each loan.

These changes are discussed in more detail in the Issues and Decision Memorandum.

#### Final Results of New Shipper Review

In accordance with section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(b)(5), we calculated an individual *ad valorem* subsidy rate for SRF, for the POR for this new shipper review.

Manufacturer/exporter	Net subsidy rate (percent)
SRF Limited .....	3.04

### Disclosure

The Department will disclose to parties the calculations performed in connection with these final results within five days of the date of public announcement. See 19 CFR 351.224(b).

### Assessment and Cash Deposit Instructions

The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review to liquidate shipments of subject merchandise produced and exported by SRF and entered, or withdrawn from warehouse, for consumption on or after January 1, 2009, through December 31, 2009 at 3.04 percent *ad valorem* of the entered value.

The Department intends to also instruct CBP to collect cash deposits of the estimated countervailing duties at the rate of 3.04 percent *ad valorem* of the entered value on shipments of the subject merchandise produced and exported by SRF, entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this new shipper review.

Further, effective upon publication of the final results of this new shipper review, we intend to instruct CBP that importers may no longer post a bond or other security in lieu of a cash deposit on imports of PET Film from India, manufactured and exported by SRF. These cash deposit requirements, when imposed, shall remain in effect until further notice. The cash deposit rates for all companies not covered by this review are not changed by the results of this new shipper review.

### Return or Destruction of Proprietary Information

This notice serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 20, 2011.

## DEPARTMENT OF COMMERCE

### International Trade Administration

#### Initiation of Antidumping and Countervailing Duty Administrative Reviews

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce ("the Department") has received requests to conduct administrative reviews of various antidumping and countervailing duty orders and findings with April anniversary dates. In accordance with the Department's regulations, we are initiating those administrative reviews.

**DATES:** *Effective Date:* May 27, 2011.

**FOR FURTHER INFORMATION CONTACT:** Sheila E. Forbes, Office of AD/CVD Operations, Customs Unit, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, *telephone:* (202) 482-4697.

#### SUPPLEMENTARY INFORMATION:

#### Background

The Department has received timely requests, in accordance with 19 CFR 351.213(b), for administrative reviews of various antidumping and countervailing

duty orders and findings with April anniversary dates.

All deadlines for the submission of various types of information, certifications, or comments or actions by the Department discussed below refer to the number of calendar days from the applicable starting time.

#### Notice of No Sales

If a producer or exporter named in this notice of initiation had no exports, sales, or entries during the period of review ("POR"), it must notify the Department within 60 days of publication of this notice in the **Federal Register**. All submissions must be made in accordance with 19 CFR 351.303 and are subject to verification in accordance with section 782(i) of the Tariff Act of 1930, as amended ("Act"). Six copies of the submission should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, Room 1870, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230. Further, in accordance with 19 CFR 351.303(f)(3)(ii), a copy of each request must be served on the petitioner and each exporter or producer specified.

#### Respondent Selection

In the event the Department limits the number of respondents for individual examination for administrative reviews, the Department intends to select respondents based on U.S. Customs and Border Protection ("CBP") data for U.S. imports during the POR. We intend to release the CBP data under Administrative Protective Order ("APO") to all parties having an APO within seven days of publication of this initiation notice and to make our decision regarding respondent selection within 21 days of publication of this **Federal Register** notice. The Department invites comments regarding the CBP data and respondent selection within five days of placement of the CBP data on the record of the applicable review.

#### Separate Rates

In proceedings involving non-market economy ("NME") countries, the Department begins with a rebuttable presumption that all companies within the country are subject to government control and, thus, should be assigned a single antidumping duty deposit rate. It is the Department's policy to assign all exporters of merchandise subject to an administrative review in an NME country this single rate unless an exporter can demonstrate that it is
