SUPPLEMENTARY INFORMATION:

I. Background

On January 18, 2011, President Obama issued Executive Order 13563, "Improving Regulation and Regulatory Review."¹ The Executive Order requires Federal agencies to seek more affordable, less intrusive ways to achieve policy goals and give careful consideration to the benefits and costs of those regulations. The Executive Order recognizes that these principles should not only guide the Federal government's approach to new regulations, but to existing ones as well. To that end, agencies are required to review existing significant regulations to determine if they are outmoded,

ineffective, insufficient or excessively burdensome. Executive Order 13563 also required that, by May 18, 2011, each agency develop and submit to the Office of Management and Budget's Office of Information and Regulatory Affairs a preliminary plan for periodically reviewing existing significant regulations to determine whether they should be modified, streamlined, expanded, or repealed so as to make the agency's regulatory program more effective or less burdensome in achieving regulatory objectives.

On March 2, 2011, at 76 FR 11395, HUD published a notice in the **Federal Register** inviting public comments, with a comment deadline of May 2, 2011, to assist in the development of the plan required by the Executive Order and in identifying specific current regulations that should be the subject of HUD review. HUD received 42 public comments from nonprofit advocacy groups, private industry groups, housing authorities, and private individuals, amounting to more than 300 specific suggestions.

The preliminary regulatory review plans of the Federal agencies have been posted on the White House Web site at: <http://www.slideshare.net/whitehouse/hud-combined>. The appendix to HUD's plan identifies the initial set of HUD regulatory actions being taken in response to Executive Order 13563. HUD carefully considered the comments received in response to the March 2, 2011, notice in development of its preliminary plan.

Through this notice, HUD solicits public comment on the Department's preliminary plan and list of candidate rules. All comments will be considered in the development of HUD's final plan.

Dated: May 26, 2011.

Camille E. Acevedo,

Associate General Counsel for Legislation and Regulations.

Prevailing Rate Systems; Redefinition of the Northern Mississippi and Memphis, TN, Appropriated Fund Federal Wage System Wage Areas

AGENCY: U.S. Office of Personnel Management.

ACTION: Proposed rule with request for comments.

SUMMARY: The U.S. Office of Personnel Management is issuing a proposed rule that would redefine the geographic boundaries of the Northern Mississippi and Memphis, Tennessee, appropriated fund Federal Wage System (FWS) wage areas. The proposed rule would redefine Panola County, MS, from the Northern Mississippi wage area to the Memphis wage area. This change is based on a consensus recommendation of the Federal Prevailing Rate Advisory Committee (FPRAC) to best match the county proposed for redefinition to a nearby FWS survey area. FPRAC did not recommend other changes for the Northern Mississippi and Memphis FWS wage areas at this time.

DATES: We must receive comments on or before July 5, 2011.

ADDRESSES: Send or deliver comments to Jerome D. Mikowicz, Deputy Associate Director for Pay and Leave, Employee Services, U.S. Office of Personnel Management, Room 7H31, 1900 E Street, NW., Washington, DC 20415-8200; e-mail pay-leave-policy@opm.gov; or FAX: (202) 606-4264.

FOR FURTHER INFORMATION CONTACT: Madeline Gonzalez, (202) 606-2838; e-mail pay-leave-policy@opm.gov; or FAX: (202) 606-4264.

SUPPLEMENTARY INFORMATION: The U.S. Office of Personnel Management (OPM) is issuing a proposed rule to redefine the Northern Mississippi and Memphis, TN, appropriated fund Federal Wage System (FWS) wage areas. This proposed rule would redefine Panola County, MS, from the Northern Mississippi wage area to the Memphis wage area.

OPM considers the following regulatory criteria under 5 CFR 532.211 when defining FWS wage area boundaries:

- (i) Distance, transportation facilities, and geographic features;
- (ii) Commuting patterns; and
- (iii) Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

Panola County is currently defined to the Northern Mississippi area of application in appendix C to subpart B of part 532. Based on our analysis of the regulatory criteria for defining appropriated fund FWS wage areas, we find that Panola County would now be more appropriately defined as part of the Memphis area of application. Distance and commuting patterns criteria for Panola County clearly favor the Memphis wage area. Transportation

¹ The Executive Order was subsequently published in the **Federal Register** on January 21, 2011, at 76 FR 3821.
