DHS has incorporated the public input in developing its Preliminary Plan. The Preliminary Plan establishes a process for identifying regulations that may be obsolete, unnecessary, unjustified, excessively burdensome, or counterproductive. The DHS retrospective review process will help identify rules that warrant repeal or modification, or strengthening, complementing, or modernizing, where necessary or appropriate. The DHS Preliminary Plan is available for viewing online at <http://www.dhs.gov/xabout/open-government.shtm> and <http://www.regulations.gov>. We welcome public comment on its content.
