SUPPLEMENTARY INFORMATION: Under the Write Your Own (WYO) Program, FEMA regulation 44 CFR 62.23 authorizes the Federal Insurance Administrator to enter into arrangements with individual private sector insurance companies that are licensed to engage in the business of property insurance. These companies may offer flood insurance coverage to eligible property owners utilizing their customary business practices. To facilitate the marketing of flood insurance, the Federal Government will be a grantor of flood insurance coverage for WYO Company policies issued under the WYO arrangement. To ensure that any policyholders' monies are accounted for and appropriately expended, the Federal Insurance Administrator implemented a Financial Control Plan (FCP) under FEMA regulation 44 CFR 62.23(f). This plan requires that each WYO Company submit financial data on a monthly basis into the National Flood Insurance Program's Transaction Record Reporting and Processing Plan (TRRPP) system, as referenced in 44 CFR 62.23(h)(4). The regulation explains the operational and financial control procedures governing the issuance of flood insurance coverage under the National Flood Insurance Program (NFIP) by private sector property insurance companies under the WYO Program.
