

for the fire station, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, as well as State and Federal programs, and whether the use takes into consideration germane tribal plans and policies.

*R&PP Application Comments:*

Interested parties may submit written comments regarding the specific use proposed in the R&PP application, proposed action and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not directly related to the suitability of the land for the fire station. Copies of the application, proposed action, and plan of development are available from the BLM Kingman Field Office.

Any adverse comments concerning the classification decision stated in this Notice will be reviewed by the Field Manager, Kingman Field Office, who may sustain, vacate or modify that realty action. In the absence of any objection or adverse comment, the classification decision will become the final determination of the Department of the Interior. In such case, the classification will become effective on August 8, 2011.

In any event, the land will not be offered for an R&PP Act lease and/or conveyance until after the classification decision takes effect and at least 30 days have elapsed following public notice of the BLM State Director's approval of the BLM Kingman RMP amendment. Any comments received during the scoping period, or following publication of the draft RMP amendment and draft supporting NEPA analysis, and/or protests associated with the planning process will be subject to the applicable provisions of the BLM planning regulations at 43 CFR part 1610.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Notice of Reopening the Call for Nominations for Certain Resource Advisory Councils**

**AGENCY:** Bureau of Land Management, Interior.

**ACTION:** Notice.

**SUMMARY:** The purpose of this notice is to request public nominations for certain Bureau of Land Management (BLM) Resource Advisory Councils (RAC) that have member terms expiring this year. The RACs provide advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas.

**DATES:** All nominations must be received no later than July 8, 2011.

**ADDRESSES:** The address of BLM State Offices accepting nominations is listed in the “**SUPPLEMENTARY INFORMATION**” section of this notice.

**FOR FURTHER INFORMATION CONTACT:**

Allison Sandoval, Bureau of Land Management, Correspondence, International, and Advisory Committee Office, 1849 C Street, NW, MS–MIB 5070, Washington, DC 20240; (202) 208–4294.

**SUPPLEMENTARY INFORMATION:** The Federal Land Policy and Management Act of 1976 (FLPMA) (43 U.S.C. 1739) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR part 1784 and include the following three membership categories:

*Category One*—Holders of Federal grazing permits and representatives of organizations associated with energy and mineral development, timber industry, transportation or rights-of-way, developed outdoor recreation, off-highway vehicle use, and commercial recreation;

*Category Two*—Representatives of nationally or regionally recognized environmental organizations; archaeological and historic organizations, dispersed recreation

activities, and wild horse and burro organizations; and

*Category Three*—Representatives of state, county, or local elected office; employees of a state agency responsible for management of natural resources; representatives of Indian tribes within or adjacent to the area for which the council is organized; representatives of academia who are employed in natural sciences; and the public-at-large.

Individuals may nominate themselves or others. Nominees must be residents of the state in which the RAC has jurisdiction. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. The Obama Administration prohibits individuals who are currently federally-registered lobbyists to serve on all FACA and non-FACA boards, committees, or councils. The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed background information nomination form; and
- Any other information that addresses the nominee's qualifications.

Simultaneously with this notice, BLM state offices will issue press releases providing additional information for submitting nominations, with specifics about the number and categories of member positions available for each RAC in the state.
