At this time, the Board consists of ten of fifteen appointed members due to the expirations of the terms of former members. The Board shall meet and can carry out official business because the ESRA states that a majority of the voting members serving at the time of a meeting constitutes a quorum.

Wallace, formerly with MDRC, the Board will discuss the issue, paying particular attention to two potential audiences for the research findings: (1) Federal, state, and local education policy-makers, and (2) educational practitioners at the school or classroom level.

We will attempt to meet requests for accommodations after this date but cannot guarantee their availability. The meeting site is accessible to individuals with disabilities.

There will not be an opportunity for public comment. However, members of the public are encouraged to submit written comments related to NBES to Monica Herk (see contact information above). A final agenda will be available from Monica Herk (see contact
