**Establishment of the Committee**

For the reasons set forth below, the Secretary of Homeland Security has determined that the establishment of the CTAC is necessary and in the public interest. This determination follows consultation with the Committee Management Secretariat, General Services Administration.

The CTAC is being established in accordance with the provisions of the Federal Advisory Committee Act (FACA) 5 U.S.C. App. (Pub. L. 92–463). The CTAC will act in an advisory capacity to the Secretary of the Department of Homeland Security through the Commandant of the Coast Guard and the Deputy Commandant for Operations on matters concerning the safe and secure marine transportation of hazardous materials in bulk. The CTAC will be responsive to specific assignments and may conduct studies, inquiries, workshops, and seminars as the Commandant may authorize or direct. The Committee’s unique industry perspective will provide critical support to the Coast Guard’s efforts to ensure the safety of the U.S. merchant marine. This information would otherwise have to be drawn from the broad population involved in marine chemical transportation. There is no other current entity which can provide the level of technical expertise and experience that is afforded by this advisory committee.

**Balanced Membership Plans**

CTAC will consist of not more than twenty-five (25) members who are appointed and serve at the pleasure of the Secretary of Homeland Security. All members must represent one of the following special groups associated with marine transportation of hazardous materials in bulk: chemical manufacturing companies, companies that handle or transport chemicals in the marine environment, vessel design and construction companies, marine safety or security companies and marine environmental protection groups. Members will be chosen to assure a balanced representation from these special groups. Members are appointed to represent the interest of their respective authority, association, and/or organization and are not Special Government Employees as defined in Title 18, United States Code, section 202(a).

**Duration:** Continuing.

**Responsible DHS Officials:** CTAC will provide advice and recommendations to the Secretary of the Department of Homeland Security through the Deputy Commandant for Operations, United States Coast Guard and the Commandant of the Coast Guard.

Dated: June 7, 2011.

Acting Director of Commercial Regulations and Standards, U.S. Coast Guard.
