To the extent the company had adopted new internal controls at the time of the merger, those too will have been in place and able to exert a corrective influence over any previous flaws in the company's financial reporting process.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,¹² in general and with Section 6(b)(5) of the Act,¹³ in particular in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed rule change is designed to enhance investor protection by imposing additional requirements on a category of companies that have raised regulatory concerns.

B. Self-Regulatory Organization's Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7034 regarding fees assessed for the installation of certain co-location services to further incentivize the use of the co-location services. The installation fees for the following co-location services will be waived commencing June 1, 2011 and ending June 30, 2011 (the "designated period"). Beginning July 1, 2011, the above-referenced waived fees will resume in full at the amount prior to [sic] designated period. The Exchange proposes to waive the following installation fees during the designated period:

1. Rule 7034(a): Installation fees for new cabinets with power.
2. Rule 7034(b): Installation fees for external telecommunication, inter-cabinet connectivity, connectivity to NASDAQ and market data connectivity related to an order for a new cabinet. However, the one-time telecommunication connectivity expedite fee³ will not be waived during the designated period.

The following requirements must be met to receive the waiver of the installation fee:

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6 of the Act,⁶ in general, and with Section 6(b)(4) of the Act,⁷ in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system which the Exchange operates or controls. The proposed installation fees in [sic] which the Exchange seeks a temporary waiver will be assessed equally to customers that place an order for a new cabinet during the designated period. The proposed amendments will provide an incentive for customers to avail themselves of the designated co-location services. The proposal is similar to the waiver of fees during an introductory period for a product, and is equitable because all persons may avail themselves of the waiver during the period of its availability.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.
