**C.5.3 External Auditor**—The Contractor shall have an external, independent, specialized compliance auditor conduct an audit of the IANA functions security provisions annually.

### C.6 Performance Exclusions

**C.6.1** This purchase order, in itself, does not authorize modifications, additions, or deletions to the root zone file or associated information. (This purchase order does not alter the root zone file responsibilities as set forth in Amendment 11 of the Cooperative Agreement NCR-9218742 between the DoC and VeriSign, Inc.)

**C.6.2** This purchase order, in itself, does not authorize the Contractor to make material changes in the policies and procedures developed by the relevant entities associated with the performance of the IANA functions. The Contractor shall not change or implement the established methods associated with the performance of the IANA functions without prior approval of the COTR.

**C.6.3** The performance of the functions under this contract, including the development of recommendations in connection with processing changes that constitute delegations and redelegations of ccTLDs, shall not be, in any manner, predicated or conditioned on the existence or entry into any contract, agreement or negotiation between the Contractor and any party requesting such changes or any other third-party.

### Questions Related to the Draft SOW

The public is invited to comment on any aspect of the Draft SOW including, but not limited to, the specific questions set forth below. When responding to specific questions, please cite the number(s) of the questions addressed, the “section” of the Draft SOW to which the question(s) correspond, and provide any references to support the responses submitted.

1. Does the language in “Provision C.1.3” capture views on how the relevant stakeholders as sources of the policies and procedures should be referenced in the next IANA functions contract. If not, please propose specific language to capture commenters’ views.

2. Does the new “Provision C.2.2.1.1” adequately address concerns that the IANA functions contractor should refrain from developing policies related to the IANA functions? If not, please provide detailed comments and specific suggestions for improving the language.

3. Does the language in “Provisions C.2.2.1.2, C.2.2.1.3, C.2.2.1.4, and

C.2.2.1.5” adequately address concerns that the IANA functions contractor should perform these services in a manner that best serves the relevant stakeholders? If not, please propose detailed alternative language.

4. Does the language in “Provision C.2.2.1.3” adequately address concerns related to root zone management? If not, please suggest detailed alternative language. Are the timeframes for implementation reasonable?

5. Does the new “Provision C.2.2.1.3.2 Responsibility and Respect for Stakeholders” adequately address concerns related to the root zone management process in particular how the IANA functions contractor should document its decision making with respect to relevant national laws of the jurisdiction which the TLD registry serves, how the TLD reflects community consensus among relevant stakeholders and/or is supported by the global public interest. If not, please provide detailed suggestions for capturing concerns. Are the timeframes for implementation reasonable?

6. Does the new “Section C.3 Security Requirements” adequately address concerns that the IANA functions contractor has a secure communications system for communicating with service recipients? If not, how can the language be improved? Is the timeframe for implementation reasonable?

7. Does the new “Provision C.2.2.1.3.5 Customer Service Complaint Resolution Process” provide an adequate means of addressing customer complaints? Does the new language provide adequate guidance to the IANA functions contractor on how to develop a customer complaint resolution? If not, please provide detailed comments and suggestions for improving the language.

8. Does the new “Provision C.3.6 Contingency and Continuity of Operations Plan (CCOP)” adequately address concerns regarding contingency planning and emergency recovery? If not, please provide detailed comments and suggestions for improving the language. Are the timeframes for implementation reasonable?

9. Does the new “Section C.4 Performance Standards Metric Requirements” adequately address concerns regarding transparency in root zone management process, and performance standards and metrics? Should the contractor be required to gather and report on statistics regarding global IPv6 and DNSSEC deployment? If so, how should this requirement be reflected in the SOW? What statistics should be gathered and made public?

10. Does the new “Section C.5 Audit Requirements” adequately address

concerns regarding audits? If not, please propose alternative language. Are the timeframes for implementation reasonable?

## DEPARTMENT OF EDUCATION

### Notice of Proposed Information Collection Requests

**AGENCY:** Department of Education.

**ACTION:** Comment request.

**SUMMARY:** The Department of Education (the Department), in accordance with

the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the reporting burden on the public and helps the public understand the Department's information collection requirements and provide the requested data in the desired format. The Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

**DATES:** Interested persons are invited to submit comments on or before August 15, 2011.

**ADDRESSES:** Comments regarding burden and/or the collection activity requirements should be electronically mailed to [ICDocketMgr@ed.gov](mailto:ICDocketMgr@ed.gov) or mailed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202-4537. Please note that written comments received in response to this notice will be considered public records.

**SUPPLEMENTARY INFORMATION:** Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35) requires that Federal agencies provide interested parties an early opportunity to comment on information collection requests. The Director, Information Collection Clearance Division, Information Management and Privacy Services, Office of Management, publishes this notice containing proposed information collection requests at the beginning of the Departmental review of the information collection. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: June 8, 2011.

**Darrin A. King,**

Director, Information Collection Clearance Division, Privacy, Information and Records Management Services, Office of Management.
