BILLING CODE 3410-11-P**DEPARTMENT OF AGRICULTURE****Rural Housing Service****Project Waiver of Section 1605 (Buy American Requirements) of the American Recovery and Reinvestment Act of 2009 (ARRA) for the Haywood County, North Carolina, Social Services, Adaptive Renovation Project****AGENCY:** Rural Housing Service, USDA.**ACTION:** Notice.

SUMMARY: The United States Department of Agriculture (USDA) grants a project waiver of the Buy American Requirements [manufactured goods are not produced in the United States in sufficient and reasonably available quantities and of a satisfactory quality] of ARRA, to Haywood County, North Carolina, (County) for the purchase of foreign-manufactured Heating, Ventilation, Air Conditioning (HVAC) equipment for an adaptive reuse renovation project for the Haywood County Department of Social Services. This is a project-specific waiver under section 1605(b)(2) of ARRA. This waiver only applies to the use of the specified product for the ARRA project being proposed. Any other ARRA recipient that wishes to use the same product must apply for a separate waiver based on project-specific circumstances. The County-proposed HVAC improvements were selected to address the unique conditions presented by the existing building. Based upon information submitted by the County and its consultants, it was determined that the HVAC equipment that will meet the County's design and performance specifications is manufactured only by Daikin of Japan and Thailand. This determination is based on the review and recommendations of the Rural Development Buy American Coordinator. The County, through its design engineer, has provided sufficient documentation to support its request. The Under Secretary for Rural Development has concurred in this decision to waive section 1605 of ARRA. This action permits the purchase of a Daikin VRV III HVAC unit. This unit addresses the operational requirements to heat and cool simultaneously, perform very efficiently, and is compatible and adaptable to the space restrictions created by the existing facility.

DATES: June 15, 2011.**ADDRESSES:** Dallas Tonsager, Under Secretary, Rural Development, U.S. Department of Agriculture, 1400 Independence Avenue, SW., Room 205-
